

TREE REMOVAL NOTICE

THE GREENLINE PROJECT BIRRARUNG MARR PRECINCT, SITE 1

TREE REMOVAL AND RETENTION PLAN

To kick-start the delivery of the Greenline Project, works will begin in Birrarung Marr Site 1 Project where the river's edge will be transformed with 450m of new boardwalks, promenades and a variety of native habitats.

Construction on this transformative project will start in late April 2024, and expected to be completed by the end of 2024.

Council's Urban Forest Strategy aims to create a resilient, healthy and diverse urban forest:

21 trees to be removed

- 5 x Moreton Bay Fig
- 16 x English Elm

Trees proposed for removal are shown in red on the map and have been marked on site.

The Site 1 project will deliver 60 new trees in Birrarung Marr, with the majority of those to be removed in poor health.

TREES TO BE REMOVED

Elm trees in poor health

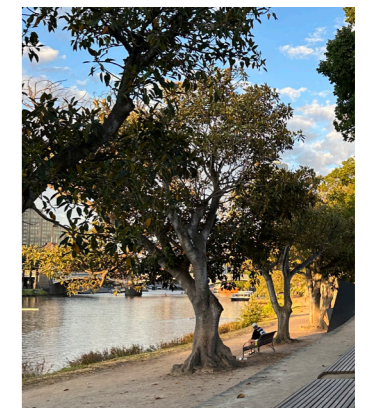

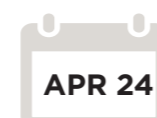

Fig trees in poor health

LEGEND

- Existing tree to be retained
- Tree to be removed
- Site 1 project boundary

UPCOMING WORKS

TREE REMOVALS WILL BE UNDERTAKEN IN APRIL 2024 IN PREPARATION FOR FURTHER CONSTRUCTION WORKS
