sport and recreation access guide

# Melbourne Mobility Centre

**Need a little extra help to get around?  
Come to the Melbourne Mobility Centre in  
Federation Square.**

The Mobility Centre offers a range of practical access information and mobility aids for hire, including scooters, wheelchairs, walkers, children's strollers and ID vision canes. You can find out more and book equipment online by visiting our website at [www.melbournemobilitycentre.com.au](http://www.melbournemobilitycentre.com.au)

The Mobility Centre is located in the Level 1 Car Park, Federation Square, Corner Flinders and Russell Streets, Melbourne. Contact our friendly staff on:

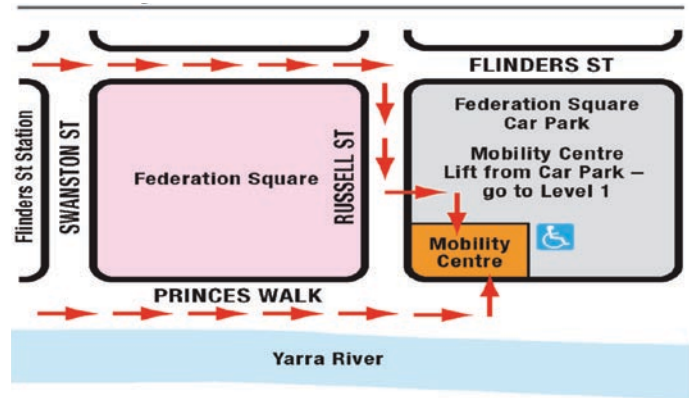

Freecall: 1800 735 266

Telephone: (03) 9650 6499

Facsimile: (03) 9650 9491

TTY: (03) 9650 9316

**How to get to the  
Melbourne Mobility Centre**

The Melbourne Mobility Centre is an initiative of the City of Melbourne.

## ***Active city - sport and recreation access guide***

The vision of *Future Melbourne* is to be a bold, inspirational and sustainable city in 2020. Eight key goals have been set and include our aim to ensure that Melbourne is an inclusive, accessible and equitable city where all people, irrespective of their abilities, can engage in their personal, community and civic life with independence.

The City of Melbourne in partnership with YMCA Victoria has developed the Active city guide in response to requests from community members for more information about accessibility in city sports and recreation venues. *Active city - sport and recreation access guide* provides key access information for 34 sports and recreation venues within the municipality for people with mobility, vision and hearing impairment challenges.

This guide was developed in consultation with people with disabilities who provided input into what they consider to be the most relevant and useful information when determining a suitable sport and recreation venue to visit.

Each sport and recreation venue is described according to these considerations, including access to the main entry, any specific services provided for people with disabilities, toilets and parking.

The venues listed have volunteered to be involved in the guide and while the level of access does vary between venues, all those involved support the philosophy and concept of access for all.

We hope you will find this guide useful in planning your next sport and recreation activity within the City of Melbourne.

*Active city - sport and recreation access guide* is funded through the MetroAccess initiative, a partnership between the City of Melbourne and the Department of Human Services.

The City of Melbourne wishes to thank and acknowledge YMCA Victoria for contributing to the development of this guide.

## Issues considered

To assist people in making a decision about accessibility in recreation venues the following issues have been considered in compiling this guide:

- Name of venue
- Address
- Telephone number
- Email address
- Website address
- Hours of operation
- Description of venue and services
- Specific services for people with a disability
- Public transport availability
- Equipment available for hire/costs
- Entry fees/charges
- Companion Card availability
- Access to main entry
- Floor surfaces
- Furniture that can be moved easily
- Food and beverage availability
- Availability of a wheelchair or scooter battery recharge point
- Provision of designated accessible toilet
- Parking

# Important information before using this guide

## **Australian Standards for Access and Mobility (AS 1428)**

AS 1428 prescribes the basic requirements for physical access which should be considered in the planning, development and construction of buildings and facilities, including recreation venues. For a variety of reasons, not all premises currently comply with these standards. Listing of a sport and recreation venue and its facilities in this guide does not imply that the venue currently meets the requirements for access, as required under AS 1428. Rather, this guide is intended to provide potential customers with information that can assist them to choose a venue that fits in with their individual requirements.

## **Toilets**

Identification of the provision of a designated accessible toilet does not necessarily mean that the toilet complies with current AS 1428 requirements. It indicates that there is a toilet on the premises that displays the international

symbol of access and the cubicle may be of a larger size than a standard toilet cubicle. Appropriate fixtures and fittings may not be installed to ensure full access. Potential patrons should check with the management to ascertain further details if required.

## **Change and shower facilities**

Identification of the provision of a designated accessible change/shower facility does not necessarily mean that the facility complies with current AS 1428 requirements. It indicates that there is a change/shower facility on the premises that displays the international symbol of access and the cubicle may be of a larger size than a standard shower facility. Appropriate fixtures and fittings may not be installed to ensure full access. Potential patrons should check with the management to ascertain further details if required.

# Important information before using this guide

## Car parking

Unless specified, public on-street parking or off site car parking only, is available. Where possible, information has been provided regarding proximity of designated accessible parking to each venue listed in the guide. Identification of the provision of a designated accessible parking bay does not necessarily mean that the bay complies with current AS 1428 requirements. It indicates that there is a parking bay that displays the international symbol of access.

## Changes of level

Lifts or ramps are noted, if installed. Otherwise stair only access is provided.

## Wheelchair or scooter recharge point

The availability of a power point within the premises for use by a person to recharge a wheelchair or scooter has been included.

Patrons would need to provide any other equipment such as transformers that they may require to recharge their particular mobility aid.

## Master Locksmiths Access Key (MLAK)

A MLAK system, where installed, will allow access to public amenities for a person with a disability where facilities are otherwise locked. Contact City of Melbourne or the MLAK provider for details.

## Disclaimer

An access audit has not been undertaken of the premises listed in the guide and Access Audits Australia, the City of Melbourne and YMCA Victoria do not take responsibility for any omissions, errors or actions taken as a result of the information provided, or any decisions made by patrons based on this information.

**Email:**

Via website.

**Website:**

[www.carltonbaths.ymca.org.au](http://www.carltonbaths.ymca.org.au)

**Hours of operation:**

7 days a week. See website or contact the centre for details.

**Entry fees/charges:**

See website or contact the centre for details.

**Equipment hire/cost:**

Not applicable.

**Public transport:**

There is a bus stop outside the centre for routes 250, 251 and 252. Contact Metlink for accessible bus timetables.

Trams – Swanston Street to Stop 114 in Lygon Street.

**Companion Card:**

Yes.

# **Carlton Baths Community Centre**

## **General Comments Relating to Access**

### **Description of venue and services offered:**

Carlton Baths Community Centre is a large, multifunction recreation facility incorporating a swimming pool, gym, ball courts and conference room. It is located on one level.

Services include a health club, aquatic education, water aerobics, basketball, netball, badminton, volleyball, soccer, handball, futsal, gymnastics and Ed gym, school holiday programs, youth group activities, teen gym, personal training and Pryme Movers (for over 50s).

A conference room is available and a 12-seat community bus can be hired by community and non-profit groups and organisations.

### **Specific services for people with disabilities:**

The Y-Access program provides group activities such as gym or fitness sessions for people with disabilities. Wheelchair/scooter recharge point is available upon request.

### **Access to entry:**

Via level entry through automatic double opening sliding doors that are 850mm wide or greater when open. Access to the pool is via a gradual step entry which incorporates a handrail and an additional portable hoist.

### **Floor/ground surfaces:**

The internal floor surfaces are slate, tiles, low pile carpet, concrete and wood on one level.

# **Carlton Baths Community Centre**

## **General Comments Relating to Access**

### **Furniture:**

Tables and chairs can be moved if required.

### **Food and beverage availability:**

A canteen provides snacks and drinks.  
No hot food is available.

### **Accessible toilet:**

Male and female designated accessible toilets are provided in the ball courts though a narrow entry.

### **Accessible change and shower facilities:**

Not provided.

### **Parking:**

Offsite parking only. A designated accessible parking bay is available on the street at the front of the centre.

# Kensington Community Recreation Centre

**Address:**

Corner Kensington Road and Altona Street,  
Kensington (Melways Ref 2T G6)

**Telephone number:**

(03) 9376 1633

**Email:**

kensington@ymca.org.au

**Website:**

www.kensington.ymca.org.au

**Hours of operation:**

Monday – Thursday 6am to 9pm

Friday 6am to 8pm

Friday (women’s only swimming) 8pm to 9pm

# Melbourne City Baths

## General Comments Relating to Access

### Description of venue and services offered:

Melbourne City Baths is a large, multifunction recreation facility incorporating two swimming pools and a variety of rooms for activities.

The Baths have a 25 metre lap swimming pool, an aquatic education pool, spa and sauna, gym, stretch room, cardio studio, cycling studio, group fitness, learning and wellness studios, squash courts, massage, myotherapy, group fitness, older adults, pilates and wellness programs. The Baths also hire out the Flagstaff Gardens tennis, volleyball and netball courts for casual use. These courts have a flexipave surface.

### Specific services for people with disabilities:

A Living Stronger program, including modified exercise is available for older adults. Wheelchair/scooter recharge point is available upon request.

### Access to entry:

Via stairs at the front entrance. Via level entry at the designated accessible entrance in Franklin Street where patrons press a button and wait for staff to unlock a door.

Access to the main lap pool and water exercise pool is via ladder entry and a portable hoist. The lap pool has handrails around the edge for use by patrons in the water.

Access to the gym area is via lift with five steps providing access to the cardio room.

Entry to the squash courts is via two flights of stairs with step access provided to the squash viewing area.

### Floor/ground surfaces:

The internal floor surfaces are tiles, with low pile carpet in the gym on three levels.

# Melbourne City Baths

Yes.

# Docklands Yacht Club

## General Comments Relating to Access

### **Description of venue and services offered:**

Docklands Yacht Club is a small facility operating from a 60 metre pontoon. The club provides recreational sailing, tuition and training programs, some racing and assistance with competitive events.

### **Specific services for people with disabilities:**

The club operates Sailability, a community sailing program designed to encourage everyone to become involved with sailing. It has its own fleet of Access Dinghies that are designed for newcomers to the sport. Hoists can provide access to the yachts and a Servo-Electric Kit can be fitted to assist some users with winches and manipulation of the sails. The club has 2.3 metre and 3.3 metre yachts that will accommodate a single person or two people at a time.

The club provides tuition for beginners and has a range of activities from learning programs to racing. It hosts school competitions and regattas. Sailability Victoria has three stages in its program: Participation, Development and High Performance. It also has a focus on accessibility.

### **Access to entry:**

Via level entry and a sliding shed door that is 850mm wide or greater when open to the yacht storage and club area. Access to the pontoon is via a ramp.

### **Floor/ground surfaces:**

The floor surfaces are concrete and on one level.

# **Docklands Yacht Club**

## **General Comments Relating to Access**

### **Furniture:**

Tables and chairs on the wharf outside the club can be moved if required.

### **Food and beverage availability:**

Tea and coffee are available.

### **Accessible toilet:**

Provided externally at the end of the boatshed.

### **Accessible change and shower facilities:**

Not provided.

### **Parking:**

Onsite parking is available in a gravel car park at the end of the wharf. Parallel parking also adjoins the club rooms. No designated accessible bays are provided.

# **Victorian Athletic League**

## **General Comments Relating to Access**

### **Description of venue and services offered:**

The Victorian Athletic League runs professional running events across Victoria. The most famous of these events is the Stawell Gift which has been run since 1878. There are many other Gift meetings run across Victoria during a season at places such as Ballarat, Bendigo, Wangaratta, Maryborough, Keilor and Ringwood. Races are run over distances ranging from 70 metres to 3,200 metres under a handicap system that ensures that every runner is given the opportunity to be competitive in any race.

### **Specific services for people with disabilities:**

The Victorian Athletic League provides events for athletes with a disability at most carnivals over the summer period. The league, in conjunction with the City of Melbourne, also hosts a carnival specifically for athletes with a disability which is held in early December to celebrate International Day of Persons with Disabilities.

### **Access to entry:**

Access points vary at each location. Contact the league for specific details.

In addition, 29 national sporting associations currently have Disability Action Plans registered with the Australian Human Rights Commission. These provide more information in relation to how each of these sports is addressing access issues for people with a disability. They can be viewed at: [http://www.hreoc.gov.au/disability\\_rights/action\\_plans/Register/register.html#nongov](http://www.hreoc.gov.au/disability_rights/action_plans/Register/register.html#nongov)

Further information regarding a range of accessible sport and recreation options is available from:

## Terms and conditions

1. Information is published in this booklet as a community service by the City of Melbourne. It is intended to disseminate information in regard to the accessibility of some of the sports and recreation venues in its district to people with disabilities. It is not and does not purport to be a complete guide to all recreational facilities and venues.
2. Reference to any organisation in this booklet is not to be considered as an endorsement or recommendation of any information, goods or services supplied by that organisation.
3. The City of Melbourne accepts no responsibility to you or anyone else arising from any act or omission of any third party referred to in this booklet or any loss, including damage or injury when attending at the premises and/or obtaining information, goods or services.
4. The information contained in this booklet is based on the condition of the venue at the time of an inspection of the venues, which is liable to change. We do not and cannot guarantee its currency.
