## ABOUT THIS PROJECT

The Art and Book Playgroup program (February to October 2014) is a partnership between two areas within the City Of Melbourne — Community Services (Family Services) and Arts & Culture (ArtPlay) — with external partner Kids' Own Publishing. The program engages with children and families that live, play, work and study in Melbourne who would not usually access the public ArtPlay program.

Opportunities are provided for shared learning and interaction, as well as to promote literacy awareness, in a fun and supportive environment. The program introduces families to art activities (such as collage, drawing, painting and sculpture) as well as book-making.
