## Report to the Future Melbourne (Finance and Governance) Committee

Agenda item 6.3

1 April 2014

### Council's Meeting Procedures Code – proposed amendment relating to submissions

**Presenter:** Keith Williamson, Manager Governance Services

#### Purpose and background

1. The purpose of this report is to recommend Council's Meeting Procedures Code (Code) be amended to incorporate a process for receiving written submissions on agenda items listed for consideration at Council and Future Melbourne Committee meetings.
2. Whilst the Code makes provision for members of the public to be heard at Future Melbourne Committee meetings, it is silent on Future Melbourne Committee or Council receiving written submissions.
3. As a general practice, correspondence received relating to any agenda item is forwarded to Councillors, noted in the minutes of the meeting as a written submission and forms part of the public record available for inspection by members of the public. The proposed amendment to the Code reflects this general practice subject to one exception.
4. At a recent Council meeting a letter from a tenderer was received on an agenda item. This created a conflict between the general practice and the Council's conditions of tendering which state, the tenderer of any tender who seeks to canvass or who contacts a Councillor in relation to a tender, will not be considered.

#### Key issues

5. It is opportune to consider formally acknowledging in the Code that written submissions, with the exception of submissions from tenderers, will be forwarded to Councillors and officially acknowledged in the minutes of the Council or Committee meeting.
6. Management is of the view that any written submissions relating to tender proposals should not be provided to Councillors prior to the decision being made by Council but forwarded to the Manager Governance Services who will circulate them to Councillors following the decision to award the tender.

#### Recommendation from management

7. That the Future Melbourne Committee recommends Council:
  - 7.1. add the following paragraphs after 3.15 (f) (iv) of the Council's Meeting Procedures Code (Code):
    - '3.15(f)(v) With the exception of submissions from tenderers, or agents acting on behalf of tenderers, written submissions received no later than noon on the day of the meeting, in relation to a matter listed on the agenda for that meeting will be:
      - (a) forwarded to Councillors
      - (b) formally acknowledged in the minutes of the Council or Future Melbourne Committee meeting.
    - 3.15(f)(vi) Written submissions from tenderers, or agents acting on behalf of tenderers, will be forwarded to the Manager Governance Services who will circulate them to Councillors following the decision to award the tender.'
  - 7.2. note that notice of the amended Code will be published in the Victorian Government Gazette following the passing of the resolution by Council.
