Records of Assemblies of Councillors

Council

Presenter: Keith Williamson, Manager Governance and Legal

26 April 2016

Purpose and background

- The purpose of this report is to present the most recent written records of assemblies of Councillors for Council to note.
- 2. In accordance with section 80A of the *Local Government Act 1989* (the Act), written records of assemblies of Councillors are to be reported at an ordinary meeting of the Council as soon as practicable.

Key issues

- 3. Amendments to the Act, which came into effect on 24 September 2010, altered the definition of an assembly of Councillors to include advisory committees where one or more Councillors were present, along with planned or scheduled meetings involving at least half the Councillors and an officer.
- 4. A Councillor who has a conflict of interest at an assembly of Councillors must disclose to the meeting that he or she has a conflict of interest, and leave the meeting while the matter is being discussed.
- 5. A written record is required to be kept of every assembly of Councillors including the names of all Councillors and staff at the meeting, a list of the matters considered, any conflict of interest disclosed by a Councillor and whether a Councillor who disclosed a conflict left the room.
- 6. Assemblies of Councillors that consider information that has been declared confidential under section 77 of the Act, require only the title of the written record to be disclosed. If the title of the written record is considered confidential, the written record will be reported upon in the closed session of the Council meeting.

Recommendation from management
