

TRANSFORMING SOUTHBANK BOULEVARD AND DODDS STREET

CONSTRUCTION BULLETIN 2

Stage 1 construction has started

On Monday 16 July, construction started on Southbank Boulevard and Dodds Street.

A full road closure will be in effect on Southbank Boulevard, between St Kilda Road and Sturt Street, after morning peak on Wednesday 18 July 2018.

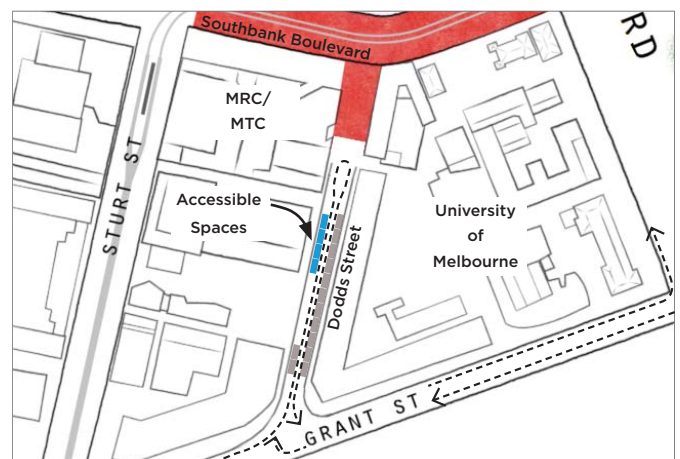

Please plan your journey accordingly.

Dodds Street

Dodds Street, between Grant Street and the rear of the Melbourne Theatre Company, will continue to function as a road, parking area, and drop-off for the Arts Precinct.

Four accessible car parks have been relocated south of their current location, into this section of Dodds Street.

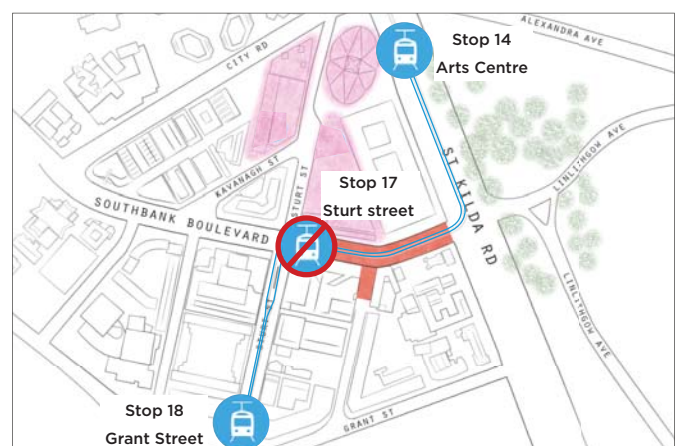

Tram stop no. 17

The South Melbourne/ East Coburg tram (Route 1) will continue to operate during stage 1 construction. Stop 17 Sturt Street, the outbound stop in front of the Melbourne Theatre Company and Melbourne Recital Centre, will be closed from Monday 23 July 2018, due to its location in the middle of the construction site.

Until the new tram stop is completed on Sturt Street in early October, the closest stops are Stop 14 Arts Centre, and Stop 18 Grant Street at the intersection of Grant Street and Sturt Street.

Please visit the Yarra Trams website for more information.
