

# BRENS PAVILION REDEVELOPMENT

## Project update

April 2023

The construction of Brens Pavilion is nearing completion, with landscaping works scheduled to commence in May 2023.

Over the past few weeks, we have completed all plumbing and tiling works in the change rooms, installed the kitchen, fitted the storage shelves and installed sunshade on the exterior of the building.

### Upcoming works and disruptions

Once the building is complete, we will commence planting additional trees, installing external seating and finishing the main and overflow car parks.

The project is currently on track to be complete in mid-2023.
