

# Kensington Community Aquatic and Recreation Centre redevelopment

Bringing state-of-the-art facilities to the community, including a new 25-metre pool, water play area, gym, community spaces and three indoor multi-sports courts.

## What's been happening?

- The facade brickwork facing Kensington Road and Altona Street is 75% complete.
- Works to install the pool shell and build the aquatic area are 70% complete.
- Most concrete slabs are now complete, including in the stadium pictured below.
- Metal framing continues to progress and most door frames are now installed.

## Did you know?

The new centre will feature three full-sized sports courts, where the community can play a variety of sports such as basketball, netball, futsal, badminton, volleyball and more.

The stadium

## What's coming up?

### Stormwater works

In mid-April, parts of Kensington Road will be closed due to stormwater works. Traffic management will be in place throughout this time to support vehicles and pedestrians moving through the area.

### Roof installation

The remainder of the roof will be installed in the coming months and is expected to be complete by mid-2024.
