- Buses: Melbourne’s bus network is extensive and includes the SmartBus, SkyBus and NightRider services. Visit ptv.vic.gov.au for more information.
- Trams: Melbourne’s tram network is the largest in Australia. Visit tramweb.metrictas.com.au for more information.
- Walking: Many Melbourne destinations, such as the CBD and Northcote, are within a comfortable walking distance. For walking maps, visit visitmelbourne.com.au/plan-your-trip/walking.

**Travel tips**

- **Car share**: Share our streets and drive responsibly. Keep to the yellow line and off double-door and marked double-door and marked passenger parking bays when available. In other car share areas, keep to the specially marked car share areas.
- **Taxis**: Respect the right of shared space drivers. When passing a shared space, give right of way to cyclists and pedestrians. Do not stop or pull up in a shared space unless the doors are open. When riding a bike or pedestrian, give way to the car share vehicle. When entering a shared space, make sure the doors are open before entering.
- **Trains and Tram stops**: Trains and tram stops are clearly marked. Always make sure the doors are open before entering.
- **Buses**: All buses operate at a relaxed pace until the doors close.
- **Tram stops**: Always make sure the doors are open before entering.
