

Motion

That the Future Melbourne Committee:

1. Notes that, indicated by the number of public complaints and the frequency with which enforcement officers are required to attend, the 'peak hour only' bicycle lanes in Exhibition Street have not been as effective as desired;
2. Notes the completion of action 34 of the 2016-20 Bicycle Plan in the 2017-18 financial year, being "Exhibition Street - Investigate options for full time bicycle lanes by completing traffic modeling studies"; and
3. Requests a report from management being presented to this Committee in October 2018 setting out the findings of the aforementioned investigation and recommendations as to how to make Exhibition St safer for all users, including options to expedite works.
