

Committee report to Council

Agenda item 5.1

Council

Adoption of the 2019-20 Annual Plan and Budget

25 June 2019

Committee Future Melbourne (Finance and Governance portfolio)**Presenter** Deputy Lord Mayor, Arron Wood**Purpose and background**

1. The purpose of this report is to adopt the 2019-20 Annual Plan and Budget in accordance with the requirements of the *Local Government Act 1989*.

Consideration at Committee

2. Following consideration of submissions and matters arising for the draft 2019-20 Annual Plan and Budget at the Special Future Melbourne Committee (Committee) meeting on 13 June 2019 (Attachment 2), the Committee resolved the following:
 - 2.1. *That Future Melbourne Committee, after considering all written submissions in response to the draft 2019–20 Annual Plan and Budget and hearing from anyone wishing to be heard in support of their submission, recommends that Council:*
 - 2.1.1. *adopts the draft 2019–20 Annual Plan and Budget incorporating recommended changes outlined in Attachment 2 of the report from management*
 - 2.1.2. *notes that public notice will be given of Council's decision in respect to the 2019–20 Annual Plan and Budget, in accordance with section 130(2) of the Local Government Act 1989 (the Act)*
 - 2.1.3. *notes that a copy of the adopted 2019–20 Annual Plan and Budget will be submitted to the Minister for Local Government and copies made available for inspection by the public in accordance with sections 130(4) and 130(9) of the Act.*
3. The changes from the Committee have been reflected in the 2019-20 Annual Plan and Budget (refer to Attachment 1.)

Recommendation

4. That Council:
 - 4.1. Adopts the 2019-20 Annual Plan and Budget (Attachment 1).
 - 4.2. Notes that public notice will be given of Council's decision in respect to the 2019–20 Annual Plan and Budget, in accordance with section 130(2) of the *Local Government Act 1989* (the Act).
 - 4.3. Notes that a copy of the adopted 2019–20 Annual Plan and Budget will be submitted to the Minister for Local Government and copies made available for inspection by the public in accordance with sections 130(4) and 130(9) of the Act.

ANNUAL PLAN AND BUDGET

2019–2020

1. INTRODUCTION

The 2019-20 Annual Plan and Budget is the third year of the Council's 2017-2021 Council Plan. Through this plan the Council will ensure Melbourne is a vibrant inclusive place, well positioned to meet the opportunities and challenges of a growing city for decades to come.

This is the third budget of this Council and will see the delivery of over 65 third year initiatives as part of a four year program to deliver council's 2017-2021 Council Plan.

The City of Melbourne will deliver \$453 million worth of services, programs and initiatives in the 2019-20 financial year along with \$166m of capital works projects designed to help the city cope with an unprecedented population increase in coming years.

It is a disciplined and fiscally responsible budget with a focus on cost containment and a modest rate increase of 2.5 per cent.

The City of Melbourne will invest \$28.7 million over the coming year on creating and renewing public open space to cater for Melbourne's growing population.

Including investing \$11.9 million towards expansion of Southbank Boulevard and Dodds Street to improve two and a half hectares of public realm. More than \$7.1 million has also been set aside for renewal of Melbourne's 480 hectares of internationally acclaimed parks and gardens and a further \$5.1 million allocated to revitalise a 300 metre section of the Southbank Promenade.

Further, an additional \$28.2 million this year on footpaths, roads, bicycle lanes and other transport infrastructure works to provide more space for people and respond to population growth as part of City of Melbourne's Transport Strategy.

We are progressing the Queen Victoria Market Precinct Renewal program, with \$15 million set aside for the delivery of precinct wide projects to improve customer and trader amenity. We will invest \$6.5 million in on-site restoration of the heritage sheds. Further investments to made towards progressing plans to improve storage, amenities, and waste and recycling facilities.

With \$9.3 million we will complete construction of the Lady Huntingfield Family and Children's Service Centre delivering the community an integrated family and childcare centre, providing improved care and support for children and families.

With \$26.6 million funding from the Department of Justice and Community Safety we will deliver projects across six locations for the Melbourne CBD Protective Security Works Program.

This budget positions the Council to meet the current and future infrastructure needs through:

- Investing in infrastructure and services that supports the City's growth.
- Maintain Melbourne's appeal through activation, supporting the visitor economy.
- Sustained effort to contain costs while accommodating population growth.

ANNUAL PLAN AND BUDGET

2019–2020

Investing in infrastructure and services that supports growth within the city

Melbourne's population is growing at an unprecedented rate. It is Australia's fastest growing city. By 2051, the greater Melbourne area will be home to 8 million people.

At present, the City attracts a daily population of almost one million people. Over the coming decade, it is expected to rise by a further 20% including workers, visitors and residents entering the central city. Residential population forecasts also suggest a significant 60% increase over the coming decade.

Growing investments in infrastructure and services are required to meet the needs of a sharply growing population. Through this budget the Council will deliver \$166 million in capital works (excluding maintenance) and \$453 million in services.

Cities by their nature have significant asset bases. The City of Melbourne's infrastructure assets including roads, footpaths, buildings, drains, parks, laneways, wharves and marinas account for over 90 per cent of total assets. Ensuring there is adequate investment annually to maintain the City's assets is important, and therefore Council is investing \$166 million in renewal, upgrades and expansion and almost \$13 million in maintenance works. This regular annual investment in existing assets maintains the public amenity in the short term and protects the condition of assets for future generations.

A full list of capital works is available in Appendix E.

Maintaining Melbourne's appeal through activation, supporting the visitor economy

A liveable and attractive city is one which remains appealing for residents, businesses and visitors. In 2019-20 a number of significant infrastructure projects will be delivered throughout the City. Minimising the impact of disruption through continuing city activation and communication is a feature of this budget.

This budget allocates \$18.4 million continue supporting the City's events including New Year's Eve, Melbourne Fashion Week, Moomba Festival, Melbourne Music Week, Melbourne Awards and Christmas Festival.

Sustained effort to contain costs

The underlying surplus of \$15.0 million has been possible through a continued effort to contain core operational costs while accommodating pressures associated with the City's growth.

The remaining increase in operating costs are associated with growth and new services recognising that the City will see an increase in the number of new residents and businesses who require services and an increase in open spaces and infrastructure.

The continued focus on containing operating costs within this budget builds on the work of the previous years by the Council and a conscious and sustained effort to minimise the burden on the community.

The Council Plan is the foundation on which the 2019-20 Annual Plan and Budget has been developed. In the third year of the Council Plan over 65 Initiatives have been identified and fully funded. They will be delivered through implementing the 2019-20 Annual Plan and Budget.

The full list of initiatives is included in section 4 and provides an insight into the priorities for Council in 2019-20.

ANNUAL PLAN AND BUDGET

2019–2020

Operating Result

- The budget delivers an underlying surplus of \$15.0 million (Appendix A) and a net surplus of \$69.5 million.
- Total revenue (excluding capital grants and contributions) will increase by \$18.5 million from \$450.1 million to \$468.6 million. This is a 4.1 per cent increase. (Full details of revenue changes are provided in Section 5.1)
- Total operating expenditure (including one off contributions) will increase by \$17.1 million from \$436.4 million to \$453.5 million (Section 5.2 provides full details).

Rates

- The 2019-20 budget is based on a general rate increase of 2.5 per cent which is in line with Victorian Government rate cap.
- It should be noted that 2019-20 is a revaluation year and therefore not all rate notices will increase by 2.5 per cent. Some rate notices will increase by more than 2.5 per cent and some less than 2.5 per cent depending on market movement of the individual property compared to the general market movement.
- The residential rate in the dollar is proposed to increase from 3.9961 cents to 4.1127 cents and the non-residential rate in the dollar decrease from 4.52425 cents to 4.4925 cents.
- The total number of assessments has increased by 5,077 from 115,121 to 120,198 which represents an increase of 4.4% per cent from 2018-19. The residential sector was the major contributor to the overall growth in assessment numbers.
- There are 1,541 properties which are public, educational, religious or charitable in use or ownership and are exempt from rates. Exemptions represent a value of 12.5 per cent of the rate base.
- Council operates a Pensioner Rebate scheme by which those eligible to receive the Victorian Government rebate receive an additional City of Melbourne rebate equivalent to 50 per cent of the Victorian Government rebate. In 2010-11 Council approved an affordable housing rebate which will provide a rate rebate for new affordable housing of 35 per cent of full rates. This is budgeted to continue in 2019-20 at a cost through lower revenue of (\$0.12 million).

Fire Services Property Levy

- The Victorian Government has enacted the Victorian Bushfires Royal Commission's recommendation to replace the previous insurance-based levy with a property-based levy.
- The Fire Services Property Levy commenced in 2013-14 and is collected through council rates. The rate of the levy is determined by the Victorian Government on an annual basis and varies for residential, industrial, commercial and primary production properties.
- Further information on the Fire Services Property Levy is available at the following web address.
<http://www.firelevy.vic.gov.au>

ANNUAL PLAN AND BUDGET

2019–2020

Services and Events

- The 2019-20 Annual Plan and Budget recognises Council's pivotal role in supporting and enhancing the City's cultural heritage, public art, events, festivals, visitor services, sport and street activity.
- It continues Council's commitment to enhance the City's business competitiveness domestically and internationally.
- The 2019-20 Annual Plan and Budget includes new and extended services and continues with activation of the City. The most significant highlights are:
 - \$5.7 million to activate Melbourne retail during Christmas
 - \$3.6 million to celebrate New Year's Eve
 - \$4.6 million for Moomba.
 - \$1.2 million for Melbourne Music Week
 - \$3.2 million for Melbourne Fashion Week

Cash and investments

- The investment portfolio is expected to provide net income of \$12.2 million, representing an average return of 2.76 per cent. The investment portfolio is made up of subsidiary companies, car parks, commercial properties and cash.
- The cash component returns from the portfolio assume a flat interest rate environment.
- Refer to Section 11 for details on Council's investment strategy.

Council Works

- The total Council works program for 2019-20 is \$166.0 million. This includes \$68.5 million for new assets, \$47.7 million for renewing, \$49.7 million refurbishing existing assets and upgrade/expansion works. Additionally \$12.9 million for major maintenance and of other assets not in the direct control of the City but which are used by ratepayers, residents and visitors.
- A full list of the capital works program is listed in Appendix E.

ANNUAL PLAN AND BUDGET 2019–2020

2. BUDGET PROCESS OVERVIEW

2.1 Integrated Planning Framework

The City of Melbourne has an Integrated Planning Framework that aligns operational, corporate and strategic plans to achieve sustainable improvements for the city and its people. The framework includes long, medium and short terms plans that set direction for everything we do.

The Annual Plan and Budget forms an important part of Council’s Integrated Planning Framework. The framework ensures that the Annual Plan and Budget are developed in response to Council Plan priorities and within the constraints of the Strategic Resource Plan which provides the financial parameters for the four year period of Council Plan. The framework includes reports to monitor the implementation of our plans. Monthly and quarterly reports enable the management team and Council to closely monitor the organisations progress towards goals. The Annual Report, including audited financial statements, is our report to the community on our performance during the year.

ANNUAL PLAN AND BUDGET

2019–2020

2.1.1 Budget Preparation

Under the Act, Council is required to prepare and adopt an annual budget for each financial year. The budget is required to include certain information about the rates and charges that Council intends to levy as well as a range of other information required by the *Local Government (Planning and Reporting) Regulations 2014* (the Regulations).

The first step in the budget process is for the Administration to prepare the annual budget in accordance with the Act and submit the 'proposed' budget to Council for approval 'in principle'. Council is then required to give 'public notice' that it intends to 'adopt' the budget. It must give 28 days notice of its intention to adopt the proposed budget and make the budget available for inspection at its offices. A person has a right to make a submission on any proposal contained in the budget and any submission must be considered before adoption of the budget by Council. The final step is for Council to adopt the budget after receiving and considering any submissions from interested parties. A copy of the budget is to be submitted to the Minister for Local Government.

The 2019-20 Annual Plan and Budget which is included in this report is for the year 1 July 2019 to 30 June 2020 and is prepared in accordance with the Act and Regulations. The budget includes financial statements. These include the Comprehensive Income Statement, Balance Sheet, Statement of Cash Flows, Statement of Capital Works, Statement of Changes in Equity and Statement of Human Resources. These statements have been prepared for the year ended 30 June 2019 in accordance with Australian Accounting Standards and in accordance with the Act and Regulations.

The 2019-20 Annual Plan and Budget includes Services and Initiatives including Major Initiatives and reflects the priorities for Council in year one. It also includes detailed information about the rates and charges to be levied, the capital works program to be undertaken and other financial information, which Council requires in order to make an informed decision about the adoption of the budget.

2.1.2 Budget Process

The key dates for the budget process are summarised below:

Budget submitted to Council for approval in principle	9 May 2019
Public notice advising intention to adopt budget	10 May 2019
Budget available for public inspection and comment	10 May 2019
Submissions period closes	7 June 2019
Submissions considered by Council's Future Melbourne Committee	13 June 2019
Budget and submissions presented to Council for Adoption	25 June 2019

ANNUAL PLAN AND BUDGET

2019–2020

2.1.3 Budget Influences

The Annual Plan and Budget is premised on a number of influences and assumptions, which are likely to impact on the delivery of services provided by Council. The most significant of these factors include:

- An increase in rates of 2.5 per cent
- Reserve Bank official cash rate of 1.00 per cent by June 2020; and
- Consumer Price Index of 1.8 per cent.

2.1.4 Budget Statements

The Melbourne City Council Budget is comprised of eight primary financial statements which are:

- the Comprehensive Income Statement (Income Statement)
- the Statement of Cash Flows
- the Balance Sheet
- the Statement of Human Resources
- the Statement of Changes in Equity
- the Statement of Capital Works
- the Summary of Planned Human Resources Expenditure
- the Summary of Planned Capital Works Expenditure.

The Income Statement is an accrual-based statement prepared in accordance with Australian Accounting Standards and generally adopted accounting principles. It includes non-cash items such as depreciation charges but does not include capital items such as capital works funding. The Income Statement provides for a projected surplus of \$15.03 million that will contribute towards the Capital Works program.

The Statement of Cash Flows is a cash statement prepared in accordance with Australian Accounting Standards. The Statement of Cash Flows provides for a projected surplus of \$16.6 million.

The Balance Sheet is a representation of the Assets and Liabilities of the Council as at the year ending June 2020.

For the purposes of clarity a reconciliation between the Income Statement and the Statement of Cash flow is provided in Section 6.

The Statement of Human Resources is a statement which is a representation of council staff expenditure and numbers.

The Statement of Changes in Equity is a statement which is a representation of accumulated surplus, revaluation reserve and other reserve movements at 30 June each financial year.

The Statement of Capital Works has been included in accordance with the Local Government Regulations. This statement sets out all the expected capital expenditure in relation to non-current assets for the year. It categorises

ANNUAL PLAN AND BUDGET

2019–2020

capital works expenditure into renewal of assets, upgrading and expansion of assets, or creating new assets. Each of these categories has a different impact on Council's future costs. Refer to section 7 'Analysis of Council Works Budget' for further details.

The Summary of Planned Human Resources Expenditure represents permanent council staff expenditure and numbers of full time equivalent council staff categorised according to the organisation structure.

The Summary of Planned Capital Works Expenditure outlines asset expenditure types and funding sources over the next 4 years.

ANNUAL PLAN AND BUDGET

2019–2020

3. HIGHLIGHTS

This section summarises the budget, more detail can be found in sections 5-8. The summary looks at the four key areas of:

- Operating Budget
- Cash Flow Budget
- Council Works Budget
- Financial Position Budget

3.1 Operating Budget

	Budget 2018/19 \$000s	Budget 2019/20 \$000s	Change \$000s	%
Operating				
Revenue (excluding capital contributions)	450,081	468,588	18,507	4.1%
Expenditure	(436,415)	(453,552)	(17,137)	3.9%
Sub totals	13,666	15,036	1,370	10.0%
Capital Contributions Revenue	20,567	54,425	33,858	164.6%
Operating surplus/(deficit)	34,234	69,461	35,228	102.9%

The Budgeted Income Statement shows a net operating surplus of \$69.46 million for the year ending 30 June 2020, after capital grants and contributions. As a minimum, the operating surplus should equate to the capital contributions (including the developer contributions received for Public Open Space and \$26.6 million CBD Security Measurement grants from state government) to ensure the contributions received for capital are available to support the capital program.

The operating surplus is required to be reported but is not a true indication of an organisation's underlying result or financial sustainability. This is because it includes external capital contributions which are not available for operational expenditure and must be used for capital works (the purpose for which the funding was received). When capital contributions are removed from the operating surplus, the underlying surplus is \$15.03 million.

In 2019-20 the underlying surplus of \$15.03 million will be directed towards funding of infrastructure.

Refer to Section 5, 'Analysis of Operating Budget', for a more detailed analysis.

ANNUAL PLAN AND BUDGET

2019–2020

3.2 Cash Flow Budget

	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Change \$000s	%
Net Surplus/(deficit) from operations	34,233	69,460	35,227	102.9%
Movement affecting cash flows	102,068	140,465	38,397	37.6%
Funds available for capital/investment	96,920	104,420	7,500	7.7%
Capital Expenditure	(141,220)	(132,499)	8,721	(6.2%)
Proceeds from asset sales	964	9,388	8,424	873.9%
Funds available from financing activities	70,000	28,500	(41,500)	(59.3%)
Net cash inflows/(outflows)	(833)	16,547	17,380	(2086.4%)
Cash at beginning of year	90,980	90,147	(833)	(0.9%)
Cash at end of year	90,147	106,694	16,547	18.4%

The budgeted Statement of Cash Flow shows a projected year cash balance of \$106.69 million by 30 June 2020. Further details of the cash flow are provided in section 6, 'Analysis of Budgeted Cash Position'.

3.3 Council Works Budget

	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Change \$000s	%
Council Works Area				
Maintenance	20,233	12,877	(7,356)	(36.4%)
Capital Works	141,620	165,945	24,325	17.2%
Carry forward capital*	7,121	19,982	12,861	180.6%
Capital Works Expenditure	168,974	198,804	29,830	17.7%

The 2019-20 Budgeted Statement of Council Works forecasts total works of \$178.87 million (excluding carried forward expenditure).

*The carry forward capital expenditure is only an indicative guide. The final number will be confirmed based on actual performance at financial closing of accounts at 30 June 2019.

See Section 7 'Analysis of Council works' for a more detailed analysis.

ANNUAL PLAN AND BUDGET

2019–2020

3.4 Financial Position Budget

	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Change \$000s	%
Assets and Liabilities				
Net Current Assets	24,800	40,848	16,048	64.7%
Net Non Current Assets	4,222,341	4,480,513	258,172	6%
Net Assets	4,247,141	4,521,361	274,220	6%
Equity				
Accumulated Surplus	1,989,936	2,106,496	116,560	6%
Reserves	2,257,205	2,414,865	157,660	7%
Total Equity	4,247,141	4,521,361	274,220	6%

The budgeted Balance Sheet shows net assets of \$4.52 billion as at 30 June 2020, which is an increase of \$274.22 million over the 2018-19 budget. This largely reflects an anticipated increase in infrastructure assets as a result of the capital works program and revaluation of assets.

See Section 8 'Analysis of Budgeted Financial Position' for more detailed analysis.

ANNUAL PLAN AND BUDGET 2019–2020

4. SERVICES AND SERVICE PERFORMANCE INDICATORS

The City of Melbourne’s long-term vision, goals and four-year priorities and desired outcomes are set out in Council Plan 2017–2021, including a series of indicators and measures to track progress.

Each year the Council selects a series of shorter-term initiatives to further its goals, priorities and desired outcomes for Melbourne. These initiatives and major initiatives are set out here, in the Annual Plan section of the Annual Plan and Budget.

Initiatives may contribute to multiple goals. We have listed them against the goal that contains priorities and desired outcomes with the strongest alignment. These initiatives are just a part of what we do. Much of the work to achieve our aspirations for Melbourne occurs within the strategies we implement and the services we deliver.

Progress against our four-year aspirations, one-year initiatives and our service delivery is shared with the public via our Annual Report, available online in September each year.

The diagram below explains the relationships between the Council Plan, the Annual Plan and Budget, the initiatives and major initiatives.

ANNUAL PLAN AND BUDGET

2019–2020

4.1 A city that cares for its environment

Environmental sustainability is the basis of all our goals. It requires current generations to choose how they meet their needs without compromising the ability of future generations to be able to do the same. The city's urban ecology must be designed and managed as a dynamic whole to balance the interdependencies between its flora and fauna, microclimate, water cycles and its human, social and economic infrastructure.

The outcomes we will work towards

- Melbourne's reputation as a global city leader of sustainability is maintained.
- Melbourne is adapting well to climate change.
- Melbourne will meet its pledge to help deliver the Paris Agreement to limit global temperature rise.
- Melbourne uses its resources efficiently.

Major initiative for 2019–20

- Deliver year one of the Waste and Resource Recovery Strategy.

Initiatives for 2019–20

- Develop and implement an advocacy and communications plan to support advocacy, raise awareness and promote action on climate change and mitigation aligned with relevant endorsed Council strategies.
- Facilitate a community renewable energy pilot such as a virtual power plant, solar garden, solar battery storage or smart grids.
- Facilitate a corporate Power Purchase Agreement to contribute to the municipality's renewable energy target.
- Progress a planning scheme amendment to improve sustainability performance and deliver green infrastructure on buildings.
- Progress stakeholder engagement to deliver small spaces in the Hoddle Grid.

ANNUAL PLAN AND BUDGET

2019–2020

4.2 A city for people

A city for people welcomes all. It is accessible, affordable, inclusive, safe and engaging. It promotes health and wellbeing, participation and social justice. A city for people has political, religious and intellectual freedoms that nurture a rich and dynamic culture. It respects, celebrates and embraces human diversity. People of all ages and abilities feel secure and empowered.

The outcomes we will work towards

- People feel welcomed and included.
- People are safe.
- People are supported to find pathways out of homelessness.
- Melbourne's housing meets the diverse needs of its population.
- People are healthy and well.
- Children and families have access to quality early years programs.

Major initiatives for 2019–20

- Establish mechanisms and partnerships to enable donations from the corporate and philanthropic sectors to help provide additional crisis accommodation and support services within inner metropolitan municipalities for rough sleepers and those at high risk of homelessness.
- Partner with the Victorian Government, other Councils and key stakeholders to progress affordable housing mechanisms and commence development of an Affordable Housing Policy.

Initiatives for 2019–20

- Complete designs for the renewal of Brens, Ryder and Western Oval sporting pavilions in Royal Park.
- Coordinate a sector-wide local agency partnership framework that connects young African Australians to professional pathways, including employment, training, leadership and mentoring.
- Engage the community to inform preparation and completion of detailed designs for the Kensington Community Recreation Centre.
- Finalise location, concept design and delivery arrangements for the redevelopment of the North Melbourne Community Centre.
- Investigate incorporating Aboriginal food in communal gardens in Kensington, with a focus on engaging young people.
- Propose to make Bourke Street Mall a smoke-free area.
- Provide opportunities for all students, both international and local, to participate in local events.

ANNUAL PLAN AND BUDGET 2019–2020

4.3 A creative city

Melbourne will be a place that inspires experimentation, innovation and creativity and fosters leaders of ideas and courage. It supports and values its artists and broader creative community. It will invest in the creativity of people of all backgrounds and ability in all pursuits. Melbourne's reputation will attract and retain pioneers in the creative arts and innovation sector and enable them to contribute to the city's prosperity.

The outcomes we will work towards

- Artists are supported to test, develop and realise ideas.
- People participate in the creative life of the city.
- The economic value of Melbourne's creative industries sector grows.

Major initiative for 2019–20

- Deliver an inclusive Melbourne in Winter pilot program.

Initiatives for 2019–20

- Develop new major public art in Southbank.
- Investigate quarterly free public events or concerts at the Melbourne Town Hall.
- Respond to the review of Hosier Lane and street art across the City of Melbourne.
- Review the Creative Spaces program and provide options for its strategic direction.

ANNUAL PLAN AND BUDGET

2019–2020

4.4 A prosperous city

Melbourne will be regarded as the destination of choice amongst international and local business and enterprise by excelling in its ability to nurture a vibrant economy for those who work, live, study, visit and invest. Its leadership as an event, cultural and education destination will be key to its national and international connections and growing visitor economy.

The outcomes we will work towards

- Melbourne is the destination of choice to visit, live and study.
- Melbourne's businesses are supported to thrive through a period of disruption caused by major projects.
- Melbourne prospers through global business relationships and investment attraction.
- Melbourne supports new businesses and a vibrant startup economy.

Major initiative for 2019–20

- Deliver digital tools in a defined precinct to communicate disruption to city users and enable them to report disruption to City of Melbourne.

Initiatives for 2019–20

- Assist businesses for the future of retail by building capacity, increasing resilience, and facilitating activity that creates new opportunities.
- Deliver a promotional marketing program aimed at increasing visitation to independent retailers.
- Deliver greater investment to small businesses in Melbourne through our funding program.
- Deliver year three of the Startup Action Plan, including identifying partners and options for a Melbourne Innovation Hub, and delivering new skills-building programs for underrepresented groups.
- Explore opportunities to strengthen Melbourne's status as the esports and game development capital of Australia.
- Invest in Melbourne's night time economy by delivering activation that supports our small business and hospitality sector.
- Investigate the appetite to establish a designated Indian Precinct in the municipality.
- Plan and deliver the 2020 Biennial Trade Mission to Japan and China.
- Set up a concierge for retail and small businesses.

ANNUAL PLAN AND BUDGET 2019–2020

4.5 A knowledge city

In a knowledge city, the collective power of mind and experience drives the city's prosperity, its ability to compete globally and the quality of life its people enjoy. It supports a well-resourced education and research system collaborating with business to produce a highly skilled and talented workforce, and a culture of innovation. It has a vibrant, collaborative and city-based lifelong-learning culture.

The outcomes we will work towards

- Melbourne has a thriving knowledge sector and industry.
- People have access to knowledge resources and forums.
- People have options to actively participate in lifelong learning.

Major initiative for 2019–20

- Deliver phase two of the Melbourne Knowledge Week Festival growth plan.

ANNUAL PLAN AND BUDGET

2019–2020

4.6 A connected city

In a connected city, all people and goods can move to, from and within the city efficiently. Catering for growth and safeguarding prosperity will require planning for an efficient and sustainable transport network. Technology and innovative forms of movement will play a significant role in changing the way people and goods move. The responsible agencies will collaborate with stakeholders to implement measures making it easier for people to make sustainable and smart travel choices to and around the city, whether by foot, bicycle, tram, bus, train or car.

The outcomes we will work towards

- People of all abilities are able to move freely, safely and sustainably around the city.
- People and goods are able to move sustainably in and out of the city.
- Melbourne's street network is optimised for current and future travel modes.

Major initiative for 2019–20

- Deliver year one of the Transport Strategy.

Initiatives for 2019–20

- Deliver cycling infrastructure, including protected bike lanes and new bike parking.
- Develop a Future Streets strategic framework to better define the future role, function and opportunities of Hoddle Grid streets in response to competing business, technology and mobility demands on our city's footpaths.
- Finalise Racecourse Road Strategic Opportunities Plan and advance discussions with VicRoads and key stakeholders to progress development of a co-funded implementation plan.
- Partner with the Victorian Government to consider updates to the Victorian Planning Provisions and City of Melbourne Advertising Signage Policy and other policies to ensure our public streets and civic spaces are appropriately regulated and aligned with community expectations.

ANNUAL PLAN AND BUDGET 2019–2020

4.7 A deliberative city

Melbourne will be a leader in using participatory, consultative and innovative approaches to decision-making. The diverse voices of Melbourne will be heard. New information technologies will be used to help citizens engage with local governance processes.

The outcomes we will work towards

- People participate in co-creating Melbourne's future.
- We are transparent and accountable to our community.
- City of Melbourne's open data platform is available for public use.

Major initiative for 2019–20

- Deliver Melbourne City DNA engagement and participation hub on the ground floor of the Melbourne Town Hall.

ANNUAL PLAN AND BUDGET

2019–2020

4.8 A city planning for growth

Melbourne will be a leader in planning for growth and technological advancement. We will guide and influence the future development of the city for the benefit of all city users and in a way that values and celebrates its historical and cultural identity.

The outcomes we will work towards

- There is a clear vision and direction for sustainable growth across the municipality.
- Melbourne's commercial, retail and residential development, and supporting infrastructure, will meet the needs of a growing working and residential community.
- Melbourne respects and preserves its heritage.
- The built form of the city reflects high quality design.
- People have access to green spaces and recreation spaces.
- Melbourne's housing meets the diverse needs of its population.
- Melbourne is prepared for future technological change.

Major initiative for 2019–20

- Continue the Queen Victoria Precinct Renewal Program.

Initiatives for 2019–20

- Adopt a leadership and advocacy role with key stakeholders, with the objective of securing collaborative co-funding partnership agreements to deliver maritime legacy outcomes in the municipality, including interpretive maritime heritage signage and a maritime museum.
- Advance the delivery of Melbourne Innovation Districts City North.
- Commission a South Yarra Heritage review.
- Complete a Development Contributions Plan (DCP) for City North and Southbank, and investigate the feasibility of a municipal wide DCP.
- Complete the delivery of Southbank Boulevard.
- Consider and assess future Committee of Management options for Westgate Park.
- Continue to progress the Bourke Street Precinct redevelopment.
- Establish an Advancement Program for the City of Melbourne to enable the corporate and philanthropic sector to partner with the City of Melbourne to deliver our Council Plan goals.
- Finalise a master plan for the restoration, refurbishment and future use of the heritage listed Melbourne Town Hall buildings.
- Finalise the City Vision and consult with the Victorian Government to progress its implementation as the new Municipal Planning Strategy in the Melbourne Planning Scheme.

ANNUAL PLAN AND BUDGET

2019–2020

- In collaboration with external partners, trial 5G and other digital urban infrastructure and services to provide reliable and efficient data about our city, solve city challenges and deliver on the overall digital urban infrastructure vision for the city.
- Investigate the feasibility and timing (given the current proposed investment and borrowing requirements) for the establishment of a future fund to deliver ongoing revenue for the City of Melbourne.
- Partner with Development Victoria to progress an integrated master plan for Harbour Esplanade and the Stadium precinct.
- Partner with the Victorian Government and other Councils to consider opportunities to improve planning, planning panel and Victorian Civil and Administrative Tribunal processes.
- Partner with the Victorian Government to commence delivery of the Moonee Ponds Creek Strategic Opportunities Plan.
- Partner with the Victorian Government, universities and student accommodation providers to improve student housing design standards.
- Partner with the Victorian Government to prepare the Arden Structure Plan.
- Partner with the Victorian Government to prepare the precinct plans for Lorimer and the Employment Precinct in Fishermans Bend.
- Prepare a vision and planning framework for Maribyrnong River (West Melbourne Waterfront) to guide future development.
- Progress implementation of a design excellence program including but not limited to the establishment of a City of Melbourne Design Review Panel to ensure Melbourne continues to be recognised as a patron of leadership in design.
- Progress investigation of Greenline, a connected network of green public spaces, from Royal Park to the Bay along Moonee Ponds Creek, Docklands, Yarra River Northbank, Birrarung Marr, Domain Parklands and St Kilda Road.
- Update the Carlton Gardens Master Plan with a focus on world heritage management.
- Work with the Victorian Government to review Federation Square design and usage patterns.
- Work with the Victorian Government, Parks Victoria and Development Victoria to progress planning including establishing costs and funding arrangements for a Waterways Operations Precinct in the Bolte Precinct West.

ANNUAL PLAN AND BUDGET

2019–2020

4.9 A city with an Aboriginal focus

Aboriginal culture, knowledge and heritage will enrich the city's growth and development. For the Boon Wurrung, Woiwurrung (Wurundjeri), Taungurong, Dja Dja Wurrung and Wathaurung people who make up the Kulin Nation, Melbourne has always been and will continue to be an important meeting place and location for events of social, educational, sporting and cultural significance.

The outcomes we will work towards

- Melbourne acknowledges its Aboriginal history, heritage and identity.
- Melbourne fosters understanding about its Aboriginal heritage and culture.
- Aboriginal and Torres Strait Islander peoples contribute to the city's cultural, social and economic life.

Major initiative for 2019–20

- Finalise the review of the combined Reconciliation Action Plan and Aboriginal Melbourne Action Plan, complete community consultation and commence delivery.

Initiatives for 2019–20

- Explore a cultural learning exchange with the First Nations people of Victoria, Canada to learn from each other's experiences and approaches to reconciliation.
- Investigate and pilot a co-working space with the Aboriginal Chamber of Commerce in order to assist the development of Aboriginal owned businesses in Melbourne.

ANNUAL PLAN AND BUDGET

2019–2020

4.10 Service performance outcome indicators

The service performance outcome indicators are set by the Victorian Government. They are a prescribed set of indicators measuring service performance, financial performance, sustainable capacity and governance and management. These indicators will be reported on within the City of Melbourne's Performance Statement prepared at the end of the financial year as required under section 132 of the *Local Government Act 1989*. They will be audited by the Victorian Auditor General whose audit opinion, along with the Performance Statement, will be included in the Annual Report.

Service	Indicator	Performance Measure	Computation
Aquatic Facilities	Utilisation	Utilisation of aquatic facilities. (Number of visits to aquatic facilities per head of municipal population)	Number of visits to aquatic facilities / Municipal population.
Animal Management	Health and safety	Animal management prosecutions. (Number of successful animal management prosecutions)	Number of successful animal management prosecutions.
Food safety	Health and safety	Critical and major non-compliance outcome notifications. (Percentage of critical and major non-compliance notifications that are followed up by Council)	[Number of critical non-compliance notifications and major non-compliance notifications about a food premises followed up / Number of critical non-compliance notifications and major non-compliance notifications about food premises] x100
Governance	Satisfaction	Satisfaction with Council decisions. (Community satisfaction rating out of 100 with how Council has performed in making decisions in the interests of the community)	Community satisfaction rating out of 100 with how Council has performed in making decisions in the interests of the community.
Libraries	Participation	Active library members. (Percentage of the municipal population that are active library members)	[Number of active library members / municipal population] x100

ANNUAL PLAN AND BUDGET

2019–2020

Service	Indicator	Performance Measure	Computation
Maternal and Child Health	Participation	Participation in the MCH service. (Percentage of children enrolled who participate in the MCH service)	[Number of children who attend the MCH service at least once (in the year) / Number of children enrolled in the MCH service] x100
		Participation in MCH service by Aboriginal children. (Percentage of Aboriginal children enrolled who participate in the MCH service)	[Number of Aboriginal children who attend the MCH service at least once (in the year) / Number of Aboriginal children enrolled in the MCH service] x100
Roads	Satisfaction	Satisfaction with sealed local roads. (Community satisfaction rating out of 100 with how Council has performed on the condition of sealed local roads)	Community satisfaction rating out of 100 with how Council has performed on the condition of sealed local roads.
Statutory planning	Decision making	Council planning decisions upheld at VCAT. (Percentage of planning application decisions subject to review by VCAT and that were not set aside)	[Number of VCAT decisions that did not set aside Council's decision in relation to a planning application / Number of VCAT decisions in relation to planning applications] x100
Waste collection	Waste diversion	Kerbside collection waste diverted from landfill. (Percentage of garbage, recyclables and green organics collected from kerbside bins that is diverted from landfill)	[Weight of recyclables and green organics collected from kerbside bins / Weight of garbage, recyclables and green organics collected from kerbside bins] x100

ANNUAL PLAN AND BUDGET

2019–2020

4.11 Strategies and plans

Council continually reviews and updates strategies and plans. The list below reflects those currently active and endorsed at the time of publication.

- Arts Infrastructure Framework
- Bicycle Plan
- Climate Change Adaptation Strategy (Refresh)
- Climate Change Mitigation Strategy
- Community Infrastructure Development Framework
- Creative Strategy
- Docklands Community and Place Plan
- Green our City Strategic Action Plan
- Homes for People – Housing Strategy
- Heritage Strategy
- Last Kilometre Freight Plan
- Municipal Integrated Water Management Plan
- Music Plan
- Nature in the City
- Open Space Strategy
- Skate Melbourne Plan
- Start Up Action Plan
- Total Watermark – City as a Catchment
- Urban Forest Strategy
- Public Lighting Strategy
- Resilient Melbourne
- Parks Masterplans (various)
- Structure Plans (various)
- Transport Strategy
- Urban Forest Precinct Plans (various)
- Waste and Resource Recovery Strategy

ANNUAL PLAN AND BUDGET

2019–2020

4.12 Service areas

Providing valued services to our customers and community is central to everything we do. Our 'service families' are groups of services that share a common purpose. We use this lens to consider what we offer to our customers, the outcomes that are delivered, the benefits that can be achieved and how the needs of our community may change in the future. These families may be further refined as we continue to manage and improve our services.

<p>ASSISTANCE & CARE</p> <p>Supporting vulnerable people to enable safe and independent living.</p>	<p>ECONOMIC DEVELOPMENT</p> <p>Fostering the development of Melbourne's economy.</p>	<p>SAFETY MANAGEMENT</p> <p>Ensuring people are protected and safe when accessing and using spaces.</p>
<p>WELCOME & CONNECTION</p> <p>Supporting people to experience and engage with Melbourne.</p>	<p>EARLY YEARS DEVELOPMENT</p> <p>Supporting families with children to develop and thrive.</p>	<p>WASTE & RESOURCE MANAGEMENT</p> <p>Repurposing, recycling or disposing of waste and reducing resource waste in the municipality.</p>
<p>CREATIVITY & KNOWLEDGE</p> <p>Providing opportunities to create, learn, connect, experience and share.</p>	<p>MOVEMENT & TRAFFIC</p> <p>Facilitating movement into, around and out of the municipality.</p>	<p>WELLBEING & LEISURE</p> <p>Encouraging people to be healthy and active.</p>

ANNUAL PLAN AND BUDGET

2019–2020

BUDGET ANALYSIS

5. ANALYSIS OF OPERATING BUDGET

This section of the annual budget report analyses the expected revenues and expenses for the Council for the 2019-20 year.

5.1 OPERATING REVENUE

Revenue Type	Budget 2018/19 \$000s	Budget 2019/20 \$000s	Change \$000s	%
Rates and charges	287,013	299,881	12,868	4.5%
Statutory fees and fines				
Parking fines	41,923	41,234	(690)	(1.6%)
Other statutory fees and fines	13,390	14,771	1,381	10.3%
User fees				
Parking fees	52,070	55,990	3,920	7.5%
Other user fees	21,727	22,863	1,136	5.2%
Grants - operating	10,812	11,070	258	2.4%
Grants - capital	9,867	35,435	25,568	259.1%
Contributions - monetary	13,882	22,302	8,420	60.7%
Net gain on disposal of property, infrastructure, plant and equipment	964	988	24	2.5%
Other income	19,000	18,478	24	0.1%
Total Operating Revenue	470,648	523,013	52,909	11.2%

5.1.1 Rates and Charges

The increase of \$12.87 million in net rates includes a general rates increase of 2.5%, new supplementary valuations of \$4.9 million and the full year impact of supplementary rates from 2018-19.

While rates on average will increase by 2.50% individual rate assessments will differ. Some will increase by more than this amount and some will be lower depending on valuation of the given property.

ANNUAL PLAN AND BUDGET

2019–2020

The reconciliation of the total rates and charges to the Comprehensive Income Statement

	Budget	Budget	Change	
	2018-19	2019-20	\$'000	%
	\$'000	\$'000	\$'000	
General rates	282,555	297,642	15,087	5.3%
Supplementary rates and rate adjustments	3,618	1,378	(2,240)	(61.9%)
Other Rates	440	451	11	2.5%
Interest on rates and charges	400	410	10	2.5%
Total rates and charges	287,013	299,881	12,868	4.5%

5.1.2 Fees and Charges

Fees and Charges Type	Budget	Budget	Change	
	2018/19	2019/20	\$000s	%
	\$000s	\$000s	\$000s	
Parking fines	41,923	41,234	(689)	(1.6%)
General fines	2,504	1,863	(641)	(25.6%)
Town planning fees	4,664	6,734	2,070	44.4%
Food and Health Act registration	3,820	3,674	(146)	(3.8%)
Parking	52,070	55,990	3,920	7.5%
Leisure centre and recreation	4,104	4,138	34	0.8%
Child care/children's programs	3,502	2,053	(1,449)	(41.4%)
Building services	7,773	9,862	2,089	26.9%
Permits and Registrations	4,136	4,370	234	5.6%
Other fees and charges	4,614	4,937	323	7.0%
Total Fees and Charges	129,110	134,857	5,745	4.4%

The budget contains some increases to fees as a result of either mandatory rises from state legislation, bringing prices in line with competitors or moving fees closer to cost recovery and parity with other neighbouring municipalities.

Revenue from fees and charges is proposed to increase by \$5.7 million overall. This includes an increase to parking fee revenue by \$3.9 million reflecting a full year impact of the approved 18-19 increase in on street parking rates.

Other increases in revenue relate to building, town planning fees and construction zone permits. Many of the planning and building fees are legislated by the State government with increases in revenue associated continued growth in the city. There are also some fees that have been adjusted to better reflect cost recovery.

There has also been some reduction to the Childrens Services that we offer.

A list of the changes in fees and charges from 2019-20 is provided in Appendix F.

ANNUAL PLAN AND BUDGET

2019–2020

5.1.3 Operating Grants and Contributions

	Budget 2018/19 \$000s	Budget 2019/20 \$000s	Change \$000s	%
Operating Grants and Contributions				
Grants - Operating				
Home & Community Services	1,283	947	(336)	(26.2%)
Maternal & Child Health	741	803	62	8.4%
Roads Corporation	162	166	4	2.5%
Appropriation - Vic Grants Commission	2,761	2,830	69	2.5%
Other Grants	5,866	6,324	458	7.8%
Monetary Contributions				
Child Care Subsidies	1,497	1,811	314	21.0%
Sponsorships	1,002	1,001	(1)	(0.1%)
Other Contributions	683	500	(183)	(26.8%)
Total Operating Grants and Contributions	13,994	14,382	388	2.8%

Operating grants and contributions have increased by \$0.39 million. This is mainly due to a higher Child Care Subsidy from the Department of Human Services, which replaced the old Child Care Benefit scheme.

ANNUAL PLAN AND BUDGET

2019–2020

5.1.4 Capital Grants and Contributions

	Budget 2018/19 \$000s	Budget 2019/20 \$000s	Change	
			\$000s	%
Capital Grants and Contributions				
Grants - Capital				
Appropriations Victorian Government Grants	673	673	(0)	(0.1%)
Parking Levy	7,000	7,000	0	0.0%
Federal Grants	674	324	(350)	(51.9%)
State Grants - Non Recurrent	1,520	27,438	25,918	1705.1%
Monetary Contributions				
External Contribution - Capital	1,200	3,990	2,790	232.5%
Public Open Space - Contributions	9,500	15,000	5,500	57.9%
Non-Monetary Contributions				
Total Capital Grants and Contributions	20,567	54,425	33,858	164.6%

Capital grants and contributions have increased by \$33.86 million. This is mainly due to contribution for CBD Security measurements (\$26.64 million) and higher Public Open Space contributions (\$5.50 million).

5.1.5 Other Income

	Budget 2018/19 \$'000	Budget 2019-20 \$'000	Change	
			\$'000	%
Interest	1,075	1,500	425	39.5%
Dividends	2,210	2,365	155	7.0%
Investment property & market rent	6,514	6,768	254	3.9%
Intercompany revenue	3,310	3,464	154	4.6%
Sales & recoveries	5,660	4,132	(1,528)	(27.0%)
Project Income	231	249	18	7.8%
Total other Income	19,000	18,478	(522)	(2.7%)

Other Income

Decrease in other income is mainly due to loss of recovery revenue from property valuation information which the process is now completed by state government.

ANNUAL PLAN AND BUDGET

2019–2020

5.2 OPERATING EXPENDITURE

Expenditure Type	Budget	Budget	Change	
	2018/19 \$000s	2019/20 \$000s	\$000s	%
Employee benefit expense	164,006	170,653	6,647	4.1%
Materials and services	178,799	184,425	5,626	3.1%
Bad and doubtful debts	6,183	8,644	2,461	39.8%
Depreciation and amortisation	65,464	68,723	3,259	5.0%
Borrowing Costs	1,400	808	(592)	(42.3%)
Other expenses	6,700	6,870	170	2.5%
Grants and contributions	13,862	13,429	(433)	(3.1%)
Total Operating Expenditure	436,415	453,552	17,137	3.9%

The majority of Council services and programs are delivered through staff. As the City grows, so do the demands for services and programs. Council must balance the demands that this places on staff with the need to contain costs.

The number of Full Time Equivalent (FTE) is budgeted at 1,477 for 2019-20 compared to 1,439 in 2018-19. The major increase is to support additional capital works projects.

Total staff costs are budgeted to increase by 4.1 per cent which will also accommodate the expected increases under Council's the Enterprise Agreement.

5.2.1 Materials and Services

	Budget	Budget	Change	
	2018/19 \$'000	2019/20 \$'000	\$'000	%
Contract payments	114,654	127,014	12,360	10.8%
Building maintenance	218	228	10	4.5%
General maintenance	20,244	13,384	(6,860)	(33.9%)
Utilities	7,012	7,676	664	9.5%
Admin & Supplies	20,484	21,142	658	3.2%
Information Tech	4,737	6,223	1,486	31.4%
Insurance	1,256	1,296	40	3.1%
Consultant	18,501	18,963	462	2.5%
Internal Revenue/Charges	(8,307)	(11,500)	(3,193)	38.4%
Total Materials & Services	178,799	184,425	5,626	3.1%

Materials and Services expenditure for 2019-20 is higher by \$5.6 million or 3.1 per cent.

ANNUAL PLAN AND BUDGET

2019–2020

The major contributor to the increase relates to contract payments reflecting contracted rise and fall provisions within established contracts and an increasing higher volume of services to support the City's population which will see the need to service over 5,057 new properties coming online. Contract costs will also increase as the City develops more new open spaces and delivers infrastructure assets which require ongoing servicing through our major contracts.

Council's major contracts include street cleaning, waste management, park management, civil infrastructure and facilities management.

The lower general maintenance reflects the budgeted contribution to Street Lighting Renewal (LED rollout) for \$5.0 million and the Carlton Primary School made in 2018-19 for \$1.9 million but not required in 2019-2020.

Information Technology costs increases by \$1.5 million mainly due to license support costs for new digital platforms. These are long term digital projects which will improve City Of Melbourne customer experiences.

5.2.2 Bad and doubtful debts

Bad and Doubtful Debts expenditure for 2019-20 is budgeted to be \$8.64 million based on anticipated parking fine revenue and continued efforts in fine recovery activities.

5.2.3 Depreciation and Amortisation

	Budget 2018/19 \$'000	Budget 2019/20 \$'000	Change \$'000	%
Property	8,185	8,468	283	3.5%
Plant & Equipment	13,888	18,210	4,322	31.1%
Infrastructure	43,392	42,045	(1,347)	-3.1%
Total Depreciation and Amortisation	65,465	68,723	2,366	3.8%

Plant & Equipment depreciation costs are increasing reflecting a change of useful life for intangible assets from 8 years to 3-5 years to more accurately reflect their true asset life.

5.2.4 Borrowing Costs

A reduction of borrowing from \$70 million to \$28.5 million which reduced the borrowing cost by \$0.59 million. The current borrowing is to fund the arrangement with the Clean Energy Finance Corporation for investments in sustainability projects. This interest payable will be more than offset by cost avoidance savings in electricity and maintenance costs with a net positive financial return to Council.

5.2.5 Other Expenses

	Budget 2018/19 \$'000	Budget 2019/20 \$'000	Change \$'000	%
Audit services - external	198	193	(5)	(2.5%)
Audit services - internal	298	207	(91)	(30.6%)
Fire brigade levy	229	232	3	1.1%
Taxes & Levies	2,148	2,153	5	0.2%
Operation lease rental	2,095	2,196	101	4.8%
Other costs	1,732	1,889	157	9.1%
Total Other Expense	6,700	6,870	170	2.5%

ANNUAL PLAN AND BUDGET

2019–2020

Other expenses increased by \$0.17 million due to provision for general price increases.

5.2.6 Grants and Contributions

Total grants and contributions decreased by \$0.4 million largely due to grants for Queen Victoria Market maintenance is not required in 2019-20. Refer to Appendix G – Schedule of Grants and Contributions for details.

ANNUAL PLAN AND BUDGET

2019–2020

6. ANALYSIS OF BUDGETED CASH POSITION

The cash flow statement shows cash movement in three main categories:

- operating activities – these activities refer to the cash generated or used in the normal service delivery functions of Council
- investing activities – these activities refer to cash generated or used in the enhancement or creation of infrastructure and other assets. These activities also include the acquisition and sale of other assets such as vehicles, property, equipment etc.
- financing activities

6.1 STATEMENT OF CASH FLOW

	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Variance \$000s
Statement of Cash Flow			
CASH INFLOWS/(OUTFLOWS) FROM OPERATING ACTIVITIES			
Receipts	463,809	513,684	49,875
Payments	(362,985)	(373,218)	(10,233)
Net Cash Provided by Operating Activities	100,824	140,466	39,642
CASH INFLOWS/(OUTFLOWS) FROM INVESTING ACTIVITIES			
Proceeds from sale of Property Plant & Equip	964	9,388	8,424
(Payments) Receipts for Property, Infrastructure, Plant and Equipment	(141,220)	(132,499)	8,721
Net cash used in investing activities	(140,256)	(123,111)	17,145
CASH INFLOWS/(OUTFLOWS) FROM FINANCING ACTIVITIES			
Repayment of borrowing - Current	0	0	0
Proceeds from borrowing	40,000	0	(40,000)
Borrowing Costs	(1,400)	(808)	592
Funds available from financing activities	38,600	(808)	(39,408)
Net increase/(decrease) in cash and cash equivalents	(832)	16,547	17,379
Cash at beginning of the financial year	90,980	90,147	(833)
Cash at end of the financial year	90,147	106,694	16,547

ANNUAL PLAN AND BUDGET

2019–2020

6.1.1 Operating Activities

Operating activities refer to the cash generated or used in the normal service delivery functions of Council.

The higher cash inflow in 2019-20 is largely due to higher net anticipated revenues.

6.1.2 Investing Activities

The lower cash outflow is attributable largely due to sale of assets and movement in asset revaluation reserves, which is offset by investment in infrastructure.

6.1.3 Financing Activities

Lower financing activities is due to reduced anticipated borrowings required for 2019-20.

Cash at the end of Year (\$16.55 million increase in cash balance)

Overall, total cash is forecast to increase modestly reflecting the net movements identified above in order to increase reserves to fund major projects forecast in coming years.

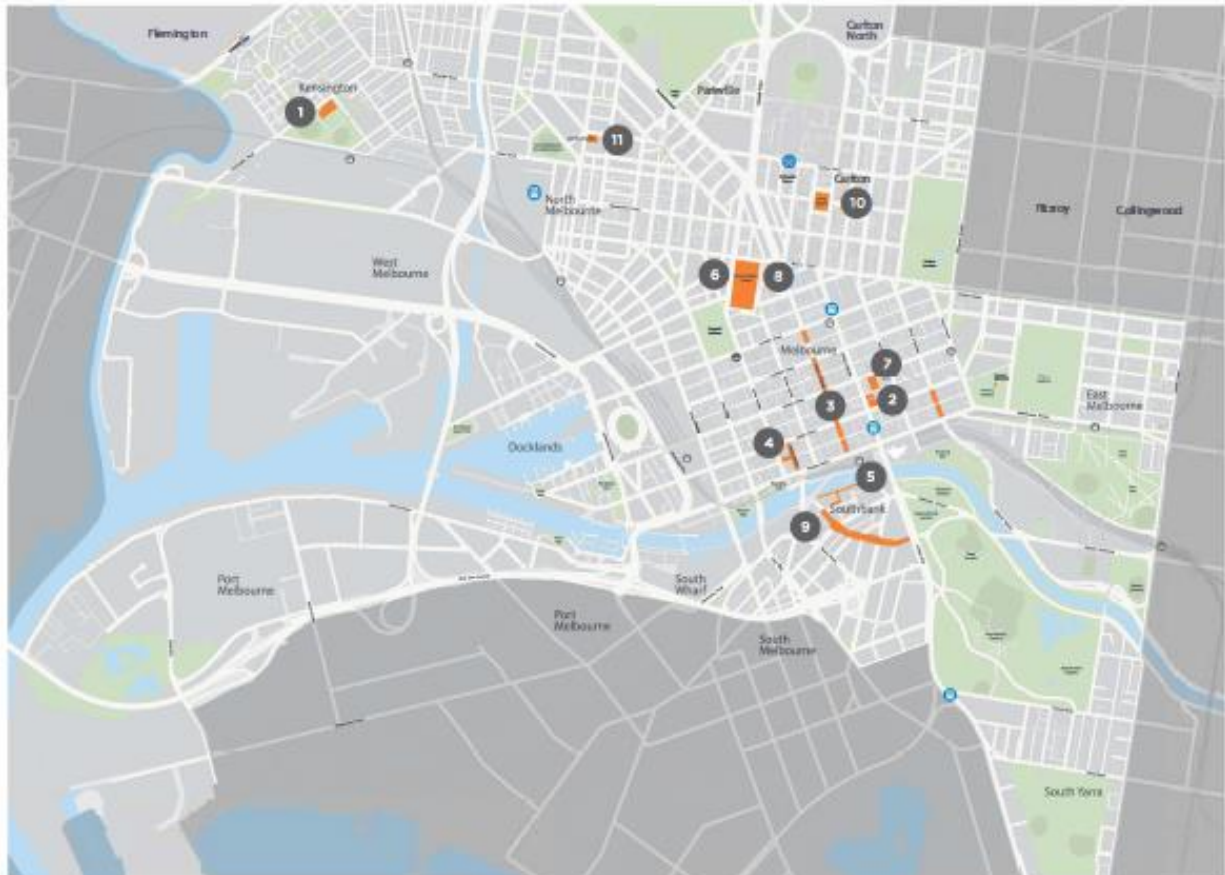

6.2 RECONCILIATION OF OPERATING PERFORMANCE TO CASH FLOW

The following table provides a reconciliation of the operating performance from the Income Statement to the Cash Flow.

	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Variance \$000s
For the year ended 30 June			
Net Surplus/(deficit) from operations	34,234	69,461	35,227
Add back:			
Depreciation & amortisation	65,464	68,723	3,259
Net movement in working capital	1,125	2,282	1,157
Cash proceeds	964	9,388	8,424
Funds available for Capital	67,553	80,393	12,840
Capital Expenditure	(141,220)	(132,499)	8,721
Financing activities	38,600	(808)	(39,408)
Funds used in investing activities	(102,620)	(133,307)	(30,687)
Net Cash inflow/(outflow)	(833)	16,547	17,380
Bank account (Opening balance)	90,980	90,147	(833)
Bank account (Closing balance)	90,147	106,694	16,547

ANNUAL PLAN AND BUDGET 2019–2020

2019-2020 BUDGET KEY CAPITAL WORKS PROJECTS

ANNUAL PLAN AND BUDGET 2019–2020

7. ANALYSIS OF COUNCIL WORKS (INCLUDING MAINTENANCE)

This section of the budget report provides an analysis of the planned council works expenditure budget for the 2019-20 year and the sources of funding for the budget. It should be noted that maintenance is included as part of the overall review of council works program but is funded out of the operating budget.

7.1 FUNDING SOURCES

	Budget 2018/19 \$000s	Budget 2019/20 \$000s	Change \$000s	%
Source of Funding				
External Funding	4,069	32,425	28,356	696.9%
Public Open Space Reserve	30,717	25,203	(5,514)	(18.0%)
Long Term Parking Levy	7,000	7,000	0	0.0%
Sub totals	41,786	64,628	22,842	54.7%
Funding Provided by Council	120,067	114,194	(5,873)	(4.9%)
Total Funding Sources	161,853	178,822	16,969	10.5%

ANNUAL PLAN AND BUDGET

2019–2020

7.1.1 External Funding

External funding includes amounts budgeted to be received from external parties for projects including Melbourne CBD Protective Security Works Program, Construct Emergency Services Victoria Memorial and Lady Huntingfield Child Care Centre.

7.1.2 Public Open Space Reserve

The \$25.2 million represents the amount to be allocated from the public open space reserves and will be spent on various open space projects including:

Southbank Boulevard and Dodds Street, Southbank Promenade Stage 1, Lincoln Square, Market Street and JJ Holland Park Playground.

The public open space reserve is a statutory reserve required to account for developer contributions. The use of the funds is dictated by legislation, ensuring the funds are used to create community public spaces.

7.1.3 Long Term Parking Levy – Capital Projects

The amount of \$7.00 million from Long Term Parking Levy relates to funding provided to improve congestion in the city. In 2019-20 the funds will be used for projects relating to bicycle and streetscape improvements.

7.1.4 Funding Provided by Council

During the year Council generates cash from its operating activities, which is used as a funding source for the capital works program.

ANNUAL PLAN AND BUDGET

2019-2020

Carry Forward	7,121	19,982	12,861	180.6%
Council Works Expenditure	168,974	198,804	29,830	17.7%

A detailed listing of all projects comprising the capital works programme is in Appendix E.

Capital Grants

For the 2019-20 year, there are nil for maintenance.

Maintenance

For the 2019-20 year, \$12.9 million will be expended on maintenance. The more significant projects include Christmas Decorations (\$2.1 million), Information Technology maintenance (\$1 million), Street Lighting OMR charges (\$1.1 million), Street Lighting Upgrade (\$0.7 million) and Parks Maintenance Works Program (\$0.9 million), Green Our City Strategic Implementation (\$1.9 million).

ANNUAL PLAN AND BUDGET

2019–2020

New Works

For the 2019-20 year, \$68.46 million will be expended on new works. The more significant projects include Melbourne CBD Protective Security Works Program (\$26.64 million), Business initiatives (\$9.52 million), Climate Adaptation and Open Space Market Street (\$3.43 million).

Upgrade

For the 2019-20 year, \$24.87 million will be expended on upgrade of existing assets. This includes \$15 million allocated towards the renewal of the Queen Victoria Market and Southbank Promenade Stage 1 (\$5.1 million).

Renewal/Refurbishment

For the 2019-20 year, \$47.72 million will be expended on renewal/refurbishment of existing assets. The more significant projects include roadways and footpaths renewal (\$9.0 million), Information Technology renewal (\$5.6 million), parks renewal (\$7.1 million), flood mitigation renewal (\$1.9 million), drains renewal (\$1.7 million) and property renewal (\$6.0 million).

Expansion

For the 2019-20 year, \$24.87 million will be expended on expansion of existing assets. This includes Southbank Boulevard (\$11.9 million), Lady Huntingfield Family and Children's Service Centre (\$9.27 million) and Climate Adaptation and Open Space Lincoln Square (\$2.0 million)

Refer to Appendix E for full details.

ANNUAL PLAN AND BUDGET

2019–2020

8. ANALYSIS OF BUDGETED FINANCIAL POSITION

This section of the budget report analyses the movements in assets, liabilities and equity between 2018-19 and 2019-20.

8.1 BUDGETED BALANCE SHEET FOR YEAR ENDING 30 JUNE 2020

	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Variance \$000s
Current			
Assets	120,575	136,817	16,242
Liabilities	95,775	95,969	194
Net Current Assets	24,800	40,848	16,048
Non Current			
Assets	4,300,361	4,518,997	218,636
Liabilities	78,020	38,484	(39,536)
Net Non Current Assets	4,222,341	4,480,513	258,172
NET ASSETS	4,247,141	4,521,361	274,220
Equity			
Accumulated Surplus	1,989,936	2,106,496	116,560
Reserves	2,257,205	2,414,865	157,660
Total Equity	4,247,141	4,521,361	274,220

Key Assumptions

In preparing the Budgeted Balance Sheet for the year ended 30 June 2020 it was necessary to make a number of assumptions about key assets, liabilities and equity balances. The key assumptions are as follows:

- trade creditors to be based on materials and services expenditure and increased capital;
- employee entitlements to be increased by estimated Enterprise Agreement outcome only; and
- total capital works expenditure of \$165.95 million in the 2019-20 year.

ANNUAL PLAN AND BUDGET

2019–2020

8.1.1 Current Assets

The decrease in current assets is mainly due to modest decrease in cash.

8.1.2 Current Liabilities

The increase in current liabilities (that is, obligations Council must pay within the next year) is a result of assumed timing of creditor payments.

8.1.3 Net Current Assets

The increase in net assets is attributable to normal business cycle necessitates businesses meeting their obligations/liabilities from current assets which can and will be converted into cash in time to meet those obligations (those occurring in the normal business cycle and within the current year). The increase is mainly the result of higher cash balance.

	Actual 2017-18 \$000s	Budget 2018-19 \$000s	Budget 2019-20 \$000s
Working Capital Ratio			
Definition - Current Assets / Current Liabilities	1.27:1	1.26:1	1.43:1

8.1.4 Non-Current Assets

The budgeted Balance Sheet shows non-current assets of \$4.52 billion as at 30 June 2020, which is an increase of \$218.64 million over budget 2018-19.

The increase in non-current assets is due to the combination of capital works program of \$165.95 million, increase in anticipated revaluation of assets and offset by depreciation. In recent years the revaluation of assets has resulted in higher asset values.

8.1.5 Non-Current Liabilities

The decrease in non-current liabilities is due to reduced anticipated borrowings required for 2019-20.

ANNUAL PLAN AND BUDGET

2019–2020

9. STRATEGIC RESOURCE PLAN 2019-2023

The Strategic Resource Plan (SRP) identifies the financial and non-financial resources required over the four-year period of 2019-23. The purpose of the strategic resource plan is to ensure adequate resources are available to maintain services at levels established by the Council and to implement the Council Plan priorities.

The four year SRP has been prepared in accordance with the requirements of the *Local Government Act 1989*. The Act requires that the Council prepare and approve a four year Council Plan, including the SRP. The SRP includes a four year financial estimate that comprises the Comprehensive Income Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cashflows, Statement of Capital Works, Statement of Human Resources, Statement of Planned Human Resources and Summary of Planned Capital Works Expenditure.

The Strategic Resource Plan is revised annually as part of the Annual Plan and Budget process and projects out on a four year basis the financial resources estimated to be available to deliver the Council Plan and ongoing services to the community.

The economic environment and key financial assumptions

The Strategic Resource Plan is prepared and revised annually based of the latest economic and financial information at the time of preparing the plan. As economic and financial variables change over time the plan is adjusted accordingly to take account of these movements.

The key financial assumptions underpinning the SRP are detailed in the table below:

Measure	Budget	Budget	Strategic Resource Plan		
	2018/19	2019-20	2020-21	2021-22	2022-23
Rate increase	2.25%	2.50%	2.50%	2.50%	2.50%
CPI	2.25%	1.80%	1.70%	1.70%	1.70%
Total Revenue (Excl net asset sales)	4.17%	4.11%	3.10%	3.04%	3.43%
Total Cost increase	3.35%	3.93%	2.99%	3.34%	3.35%
Investments Returns (Cash)	2.00%	1.27%	1.15%	1.15%	1.15%

The SRP has been developed through a rigorous process and is based on the following key information:

- Audited financial statements as at 30 June 2018
- Proposed 2019-20 Annual Plan and Budget
- Assumptions about changes in future income and expenditure associated with meeting current levels of services
- Economic and financial indicators based on external sources.

ANNUAL PLAN AND BUDGET

2019–2020

The financial projections included in the SRP have been developed using a contemporary approach to financial statements which links the Comprehensive Income Statement, Balance Sheet, Statement of Changes in Equity, Statement of Cashflows, Statement of Capital Works, Statement of Human Resources, Statement of Planned Human Resources and Summary of Planned Capital Works Expenditure.

Key Objectives of the Plan

The key objectives which underpin the financial plan include:

- Long Term Financial Sustainability – Over the four year plan it is expected to sustain its solid financial position through a commitment to prudent financial management and maintaining long term underlying surpluses.
- Asset Management – Infrastructure assets will exceed \$4.00 billion and represent the single biggest asset group in Council's control. Recognising the need to ensure adequate financial provision is made to maintain assets at appropriate service levels in a growing municipality, the plan includes provision for an increase in the Capital Works Program.
- Rating Strategy – over the period of strategic resource plan, commencing 2018-19, a modest increase in rates is planned reflecting expected general cost increases and growth in service demand across the municipality. The Victorian Government policy on rates capping commenced from 2016-17. Council expects development to continue across the municipality which will contribute to an increasing rate revenue base.
- Improve accessibility to the City and encourage greater use of public transport.
- Monitor the investment portfolio and update strategies to ensure target returns are achieved over the long term.

The Council recognises the need for long term financial planning and has committed to updating the 10 Year Financial Plan. The plan will incorporate the objectives outlined and ensure continued long term financial sustainability of Council while providing sufficient funding for future services and infrastructure to the community.

Four-year Council Financial Plan

In preparing the Strategic Resource Plan, the Council has also been mindful of the need to comply with the following principles of sound financial management as contained in the Act:

- Prudently manage financial risks relating to debt, assets and liabilities.
- Provide reasonable stability in the level of rate burden.
- Consider the financial effects of Council decisions on future generations.
- Provide full, accurate and timely disclosure of financial information.

ANNUAL PLAN AND BUDGET

2019–2020

Measure	Budget	Budget	Strategic Resource Plan		
	2018/19 \$'000	2019-20 \$'000	2020-21 \$'000	2021-22 \$'000	2022-23 \$'000

ANNUAL PLAN AND BUDGET

2019–2020

10. VALUATION

10.1 VALUATION BY CLASS OF LAND

From 1 July 2018, the State Government centralised all statutory valuations under the Valuer General Victoria (VGV) and introduced annual general valuations for Land Tax, Fire Services Property Levy and Council Rate setting purposes from the 2019 revaluation year.

The VGV is currently auditing the 2019 General Valuation return and any adjustments which increase rateable valuations may require Council to adjust the residential and/or the non-residential rate in the dollar. Once the audit is complete, the VGV will recommend to the Minister to issue a generally true and correct certificate for the 2019 General Valuation.

The forecast valuation totals of the various land classes for 2019-20 are as follows:

City of Melbourne Valuations 2019-20				
Class of Land	Number of Assessments	Net Annual Value \$	Site Value \$	Capital Improved Value \$
Residential	96,865	2,947,896,425	17,988,829,523	58,874,751,500
Non-Residential	21,750	3,926,539,358	23,034,594,835	65,605,477,281
Total Rateable (General Rates)	118,615	6,874,435,783	41,023,424,358	124,480,228,781
Exempt Cultural & Recreational Lands	1,541	966,080,017	9,305,992,400	15,639,477,478
Total for all Classes of Land	120,198	7,899,187,800	50,532,659,758	141,260,611,986

The 2019 General Valuation resulted in an overall change in the total NAV from \$7.8 billion to \$7.9 billion, for all properties in the municipality irrespective of rateable status. This represents an overall change of 1.5%.

The total NAV for rateable properties has changed from \$6.8 billion to \$6.9 billion. This represents a change of 1.6%.

Overall non-residential NAV has changed by 3.2%, whilst residential NAV has changed by -0.4%.

Supplementary valuations will continue to be undertaken throughout the year and returned as they occur. Supplementary valuations reflect new properties that come on line during the financial year as developments are completed.

ANNUAL PLAN AND BUDGET

2019-2020

10.2 CULTURAL AND RECREATIONAL LANDS

In accordance with section 4 of the Cultural and Recreational Lands Act 1963, Council is required to determine that a charge in lieu of rates identified in the table on the following page below in respect to recreational lands having regard to the services provided by the Council in relation to such lands and having regard to the benefit to the community derived from such recreational lands.

Cultural & Recreational Lands 2019-20

ANNUAL PLAN AND BUDGET 2019–2020

11. INVESTMENT STRATEGY

11.1 STRATEGY DEVELOPMENT

The Council maintains an investment portfolio of cash investments, property holdings, car parks and shares in subsidiary and associated companies. Commercial investments are broadly defined to include those assets that are able to achieve a commercial rate of return, most of which also satisfy a strategic objective of Council.

The investment portfolio is projected to total \$429.98 million as at 30 June 2020. The investment portfolio is expected to yield an annual cash income to council of approximately \$12.15 million. The portfolio is invested in accordance with Council's investment policy.

The profile of the investment portfolio and the returns are expressed in the following charts.

ANNUAL PLAN AND BUDGET 2019–2020

11.2 KEY TARGETS

The investment portfolio strategy and policy have previously been reviewed by the administration and independent external advisors. The following targets were developed:

- The total return objective of the portfolio is the average 10 year government bond rate + 3.00 per cent per annum measured over a rolling five year period.

11.3 KEY INFLUENCES FOR 2019-20

In developing the budget for 2019-20 and the financial return from the investment portfolio a number of factors have had an effect on the outcomes. The most significant are:

11.3.1 Cash

- The cash balance is forecast at \$90.15 million as at 30 June 2019 and projected to finish the financial year in 2019-20 at \$106.69 million.
- The cash investments are forecast to return \$1.5 million in 2019-20.
- Average cash balance for the year is forecast to be \$117.8 million.

11.3.2 Subsidiaries

- Subsidiary income continues to be below historical returns primarily due to the licence fee income from QVM being redirected towards a QVM Business Continuity Program.

11.3.3 Car Parks

- Due to fee increase in 2018-19 revenue is slightly above prior year.

ANNUAL PLAN AND BUDGET

2019–2020

11.3.4 Investment Properties

- No material changes in returns to investment properties compared to prior years.

Table 1 provides a summary of the changes in the returns for the assets contained in the investment portfolio in the budget for 2019-20. The amounts will not, in all cases represent the total revenue reported. As the investment portfolio, includes most, but not all of the assets and activities generating revenue for the Council.

Note: 2018 - 2019 budget:

- Property Rentals - reclassification of investment properties.
- Car Parks - include congestion levy expenditure.

Table 1

Source	Budget 2018-19 \$000s	Budget 2019-20 \$000s	Variance \$000s
Interest Income	1,000	1,500	500
Inter Company Revenue			
- Subsidiaries	5,520	5,829	309
Property Investments			
- Car Parks (Net)	1,803	1,866	63
- Property Rentals (Net)	2,964	2,952	(12)
TOTAL	11,287	12,147	860

The initiatives and strategies described above are expected to result in the investment portfolio contributing \$12.15 million to council's total revenue. The value of these investments and returns included in the proposed budget for 2019-20.

ANNUAL PLAN AND BUDGET

2019–2020

Table 2 is a summary of the return on investments for each asset class for council. Yearly valuation for investment properties, car parks and subsidiaries was not available at the time for this report and will be undertaken at the end of the financial year. The valuation undertaken in 2018-19 was applied to 2019-20.

Table 2

	Beginning 2019-20 \$000s	End 2019-20 \$000s	Net Income \$000s	Return %
Investment properties	119,619	119,619	2,952	2.47%
Total car parks	9,263	9,263	1,866	20.14%
Total Subsidiary & Other Investments	231,100	231,100	5,829	2.52%
Cash & Fixed Investments	90,147	106,694	1,500	1.27%
TOTAL INVESTMENT PORTFOLIO	450,129	466,676	12,147	2.65%

ANNUAL PLAN AND BUDGET

2019–2020

12. BORROWINGS

12.1 BORROWING FACILITY & STRATEGY

Council has two facilities in place as at 1 July 2019. The ANZ loan facility in place has a maximum drawdown of \$75 million. The loan facility will only be drawn upon on an 'as needs basis' to meet working capital requirements. Only when the loan facility is drawn down its classified as a loan and interest is payable.

The second facility is with the Clean Energy Finance Corporation (CEFC), the loan is a 5 year fixed rate of \$30 million which is due to be repaid in 2020-21. In October 2018, \$1.5 million was repaid which reduced the CEFC loan balance to \$28.5 million. The purpose of the CEFC facility is to use funding to accelerate sustainability initiatives such as the energy efficient street light renewal project. It is projected that investing in sustainability initiatives will realise savings in operating costs over time which will more than offset any costs associated with this borrowing.

Council is in the process of further developing its funding strategy for the medium to long term infrastructure needs and funding requirements.

Table 1

	2018-19 Budget \$000s	2019-20 Budget \$000s
Total amount borrowed as at 30 June of the prior year	30,000	28,500
Total amount to be borrowed up to	105,000	103,500
Total amount projected to be redeemed up to	-	-
Total amount proposed to be borrowed as at 30 June	70,000	28,500

APPENDIX B – STATUTORY DISCLOSURES

Section 127 and 158 of the Local Government Act 1989

Part 3 of the Local Government (Planning and reporting) Regulations 2014

1 STANDARD STATEMENTS

The standard statements as requested by the Local Government (Finance and Reporting) Regulations 2014 are provided in Appendix A.

2 RATES AND CHARGES

The rate in the dollar to be levied as general rates under Section 158 of the Act for each type or class of land compared with the previous financial year

Type or class of land	2018-19 cents/\$NAV	2019-20 cents/\$NAV	Change
General rate for rateable residential properties	3.99610	4.1127	2.9%
General rate for rateable non-residential properties	4.52425	4.4925	-0.7%

The estimated total amount to be raised by general rates in relation to each type or class of land, and the estimated amount to be raised general rates, compared with previous year

Type or class of land	2018-19 \$	2019-20 \$	Change
Residential	110,547,404	121,238,136	9.7%
Non-Residential	171,737,684	176,399,781	2.7%
Total amount to be raised by general rates	282,285,088	297,637,917	5.4%
Cultural and recreational	439,860	450,857	2.5%
Other rates	3,617,848	1,382,127	-61.8%
Total amount to be raised by all rates	286,342,796	299,470,901	4.6%

The number of assessments in relation to each type or class of land, and the total number of assessments, compared with previous financial year.

Type or class of land	2018-19 Number	2019-20 Number	Change
Residential	91,453	96,865	5.9%
Non-Residential	22,105	21,750	-1.6%
Exempt	1,521	1,541	1.3%
Cultural and recreational	42	42	0.0%
Total number of assessments	115,121	120,198	4.4%

The basis of valuation to be used is the Net Annual Value (NAV)

ANNUAL PLAN AND BUDGET

2019–2020

The estimated total value of each type or class of land, and the estimated total value of land compared to previous financial year

Type or class of land	2018-19 \$	2019-20 \$	Change	
	\$'000	\$'000	\$'000	%
Residential	2,766,382	2,947,896	181,514	6.6%
Non-Residential	3,795,937	3,926,539	130,602	3.4%
Exempt	944,466	966,080	21,614	2.3%
Cultural and recreational	56,096	58,672	2,576	4.6%
Total value of land	7,562,881	7,899,188	336,307	4.4%

Fair Go Rates System Compliance

	2018-19	2019-20
Annualised previous years rates	\$ 276,073,698	\$ 290,382,606
Number of rateable properties	113,558	118,615
Base average rate	\$ 2,431.13	\$ 2,448.11
Maximum rate increase	2.25%	2.50%
Capped average rate	\$ 2,485.83	\$ 2,509.31
Maximum general rates	\$ 282,285,356	\$ 297,642,172
Budget general rates	\$ 282,285,088	\$ 297,637,917

Any significant changes that may affect estimate amount

The City of Melbourne does not propose to levy any rates or charges under the following sections of the Act:

- Section 159 – Municipal charge;
- Section 162 – Service rate and service charge;
- Section 163 – Special rate and special charge.

There are no known significant changes, which may affect the estimated amounts to be raised by rates and charges. However, the total amount to be raised by rates and charges may be affected by:

- The making of supplementary valuations;
- The variation of returned levels of value (e.g. valuation objections & appeals);
- Changes of use of land such that rateable land becomes non-rateable land and vice versa;
- Changes of use of land such that residential land becomes commercial land and vice versa.

ANNUAL PLAN AND BUDGET 2019–2020

3 DIFFERENTIAL RATES

Rates to be levied

The rate and amount of rates payable in relation to land in each differential category are:

- A general rate 4.1127 cents in the dollar of NAV for all rateable residential properties;
- A general rate of 4.4925 cents in the dollar of NAV for all rateable non-residential properties;

Each differential rate will be determined by multiplying the Net Annual Value of each rateable land (categorised by the characteristics described below) by the relevant rates indicated above.

Residential land

Residential land is any land, which is:

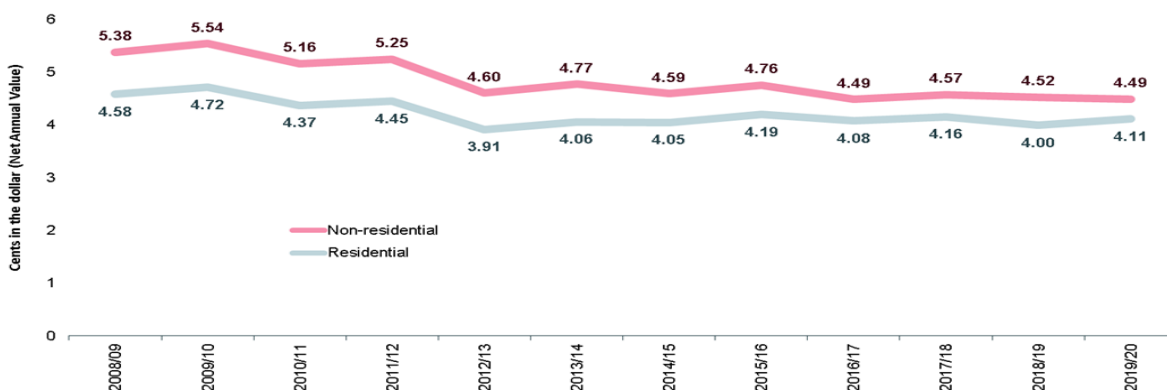

- used primarily for residential purposes (as defined in the Valuation Best Practice Specifications which is prepared by the valuer-general under section 5AA of the Valuation of Land Act 1960); or
- vacant land but which by reason of its locality, zoning or other relevant criteria would, if developed, be or be likely to be used primarily for residential purposes.

Non-Residential land

All rateable land (including vacant and unoccupied land), wherever located in the municipality and howsoever zoned under the planning scheme, which does not have the characteristics of Residential land.

The classification of land which is improved will be determined by the occupation of that land and have reference to the planning scheme zoning.

<i>Workforce turnover</i>	No of permanent staff resignations & terminations/Average no of perm staff for the financial year	6.0%	6.0%	6.0%	6.0%	6.0%	↔

Key to Trend

- ↑ Budgeted increasing trend
- ↔ Neutral
- ↓ Budgeted decreasing trend

Notes to indicators

Financial Performance

Stronger overall operating financial performance is expected in 2019-20 as represented by the ratios above with a strong and stable underlying surplus.

Financial Position

The trend indicates a modest decrease in the Council's short term liquidity financial position over the next four years with significant capital investments.

2019–2020

APPENDIX H – PUBLIC NOTICE

PUBLIC NOTICE – Draft Annual Plan and Budget 2019-20 and Revised Council Plan 2017-2021

The Melbourne City Council (Council) has prepared a draft Annual Plan and Budget 2019–20 for the financial year ending 30 June 2020 (Annual Plan and Budget) and is proposing amendments to the Council Plan 2017-2021 (Council Plan). At its meeting on 9 May 2019 the Council considered the Annual Plan and Budget and proposed amendments to the Council Plan and resolved to release them both for public consultation in accordance with sections 125, 127 and 129 of the *Local Government Act 1989* (Act).

At its meeting on 9 May 2019, the Council also resolved to give public notice under section 223 of the Act of its intention to declare a differential rate for the financial year ending 30 June 2020.

The rates for each property are determined by multiplying the Net Annual Value of each rateable land classified as Residential or Non-Residential by the differential rate shown in the following table.

Class of Land	Differential Rate
Residential	4.1127 cents in the dollar of the Net Annual Value
Non-Residential	4.4925 cents in the dollar of the Net Annual Value

The characteristics of the land which determine whether land is classified as Residential or Non-Residential are as follows:

Class of Land	Characteristics
Residential	Land which is - (a) used primarily for residential purposes (as defined in the Valuation Best Practice Specifications which is prepared by the valuer-general under section 5AA of the Valuation of Land Act 1960); or (b) vacant land but which by reason of its locality, zoning or other relevant criteria would, if developed, be or be likely to be used primarily for residential purposes.
Non-Residential	All rateable land (including vacant and unoccupied land) wherever located in the municipality and howsoever zoned under the planning scheme which does not have the characteristics of Residential land.

It is considered that each differential rate will contribute to the equitable and efficient carrying out of Council's functions in that it is likely to achieve an equitable financial contribution to the cost of carrying out the functions of Council, including:

- planning for and providing services and facilities for the local community;
- providing and maintaining community infrastructure;
- the provision of general support services.

ANNUAL PLAN AND BUDGET

2019–2020

PUBLIC INSPECTION

Copies of the draft Annual Plan and Budget and proposed amendments to the Council Plan are available for inspection from 10 May 2019 until 7 June 2019 at the following locations:

- Town Hall Administration Building, 120 Swanston Street, Melbourne. Ground Floor at Front Desk (7.30am – 5pm weekdays)
- City Library (Mon-Sun)
- North Melbourne Library (Mon-Sun)
- East Melbourne Library (Mon-Sun)
- Southbank Library at Boyd (Mon-Sun)
- Kathleen Syme Library and Community Centre (Mon-Sun)
- Library at The Dock (Mon-Sun)
- Kensington Town Hall (Mon-Fri)

A copy of the draft Annual Plan and Budget may also be viewed online at melbourne.vic.gov.au/budget

A copy of the proposed amendments to the Council Plan may also be viewed online at melbourne.vic.gov.au/councilplan

SUBMISSIONS

Any person may make a written submission to the Council on the draft Annual Plan and Budget and/or the proposed amendments to the Council Plan and/or the proposed declaration of a differential rate. All submissions received by the Council on or before 7 June 2019 will be considered in accordance with section 223 of the Act, by the Council's Future Melbourne Committee (Committee).

If a person wishes to be heard in support of their submission they must include the request to be heard in the written submission and this will entitle them to appear in person, or by a person acting on their behalf, before a meeting of the Committee, scheduled to be held on 13 June 2019, 5.30pm in the Council Meeting Room, Level 2, Town Hall Administration Building, 120 Swanston Street, Melbourne.

Written submissions can be submitted online via our website melbourne.vic.gov.au/budget or melbourne.vic.gov.au/councilplan or addressed to the Manager Governance and Legal, Melbourne City Council, Town Hall Administration Building, 120 Swanston Street, Melbourne, 3000 or GPO Box 1603, Melbourne, 3001.

Written submissions cannot be delivered in person.

Submissions form part of the public record of the meeting (including any personal information you provide) and will be published on Council's website (accessible worldwide) for an indefinite period. A hard copy will also be made available for inspection by members of the public at Council offices, in accordance with the requirements of the Act.

If you have any concerns about how Council will use and disclose your personal information, please contact the Council Business team via email at privacy@melbourne.vic.gov.au

MEETING TO ADOPT THE ANNUAL PLAN AND BUDGET AND AMENDMENTS TO THE COUNCIL PLAN

Council will meet on 25 June 2019 to adopt the Annual Plan and Budget and amendments to the Council Plan.

ANNUAL PLAN AND BUDGET

2019–2020

APPENDIX I – GLOSSARY OF TERMS

Act	Local Government Act 1989
Accounting Standards	Australian accounting standards are set by the Australian Accounting Standards Board (AASB) and have the force of law for Corporations law entities under s 296 of the Corporations Act 2001. They must also be applied to all other general purpose financial reports of reporting entities in the public and private sectors.
Underlying revenue	The underlying revenue means total income other than capital grants and capital contributions.
Underlying surplus (or deficit)	The underlying surplus (or deficit) means underlying revenue less total expenditure.
Adjusted underlying revenue	The adjusted underlying revenue means total income other than non-recurrent grants used to fund capital expenditure, non-monetary asset contributions, and contributions to fund capital expenditure from sources other than grants and non-monetary contributions. Local Government (Planning and Reporting) Regulations 2014 - Schedule 3
Adjusted underlying surplus (or deficit)	The adjusted underlying surplus (or deficit) means adjusted underlying revenue less total expenditure. It is a measure of financial sustainability of the Council which can be masked in the net surplus (or deficit) by capital-related items. Local Government (Planning and Reporting) Regulations 2014 - Schedule 3
Annual budget	Plan under Section 127 of the Act setting out the services to be provided and initiatives to be undertaken over the next 12 months and the funding and other resources required.
Annual report	The annual report prepared by Council under sections 131, 132 and 133 of the Act. The annual report to the community contains a report of operations and audited financial and performance statements.

ANNUAL PLAN AND BUDGET

2019–2020

Australian Accounting Standards	Accounting standards are issued from time to time by the professional accounting bodies and are applicable to the preparation of general purpose financial reports.
Asset expansion expenditure	Expenditure that extends the capacity of an existing asset to provide benefits to new users at the same standard as is provided to existing beneficiaries. Local Government (Planning and Reporting) Regulations 2014 – Regulation 5
Asset renewal expenditure	Expenditure on an existing asset or on replacing an existing asset that returns the service capability of the asset to its original capability. Local Government (Planning and Reporting) Regulations 2014 – Regulation 5
Asset upgrade expenditure	Expenditure that: (a) enhances an existing asset to provide a higher level of service; or (b) increases the life of the asset beyond its original life. Local Government (Planning and Reporting) Regulations 2014 – Regulation 5
Borrowing strategy	A borrowing strategy is the process by which the Council's current external funding requirements can be identified, existing funding arrangements managed and future requirements monitored.
Balance sheet (budget)	The budgeted balance sheet shows the expected net current asset, net non-current asset and net asset positions in the forthcoming year. The balance sheet should be prepared in accordance with the requirements of AASB 101 - Presentation of Financial Statements and the Local Government Model Financial Report.
Comprehensive income statement	The comprehensive income statement shows the expected operating result in the forthcoming year. The income statement should be prepared in accordance with the requirements of AASB101 Presentation of Financial Statements and the Local Government Model Financial Report.

ANNUAL PLAN AND BUDGET

2019–2020

Statement of capital works	<p>The statement of capital works shows the expected internal and external funding for capital works expenditure and the total proposed capital works expenditure for the forthcoming. The statement of capital works should be prepared in accordance with Regulation 9.</p> <p>Local Government (Planning and Reporting) Regulations 2014 – Regulation</p>
Statement of cash flows	<p>The statement of cash flows shows the expected net cash inflows and outflows in the forthcoming year in the form of reconciliation between opening and closing balances of total cash and investments for the year. The cash flow statement should be prepared in accordance with the requirements of AASB 107 Statement of Cash Flows and the Local Government Model Financial Report.</p>
Statement of changes in equity	<p>The statement of changes in equity shows the expected movement in Accumulated Surplus and reserves for the year. The statement of changes in equity should be prepared in accordance with the requirements of AASB 101 - Presentation of Financial Statements and the Local Government Model Financial Report.</p>
Budget preparation requirement	<p>Under the Act, a Council is required to prepare and adopt an annual budget by 30 June each year.</p>
Capital expenditure	<p>Capital expenditure is relatively large (material) expenditure that produces economic benefits expected to last for more than 12 months. A pre-determined 'threshold' may be used which indicates the level of expenditure deemed to be material in accordance with Council's policy. Capital expenditure includes new, renewal, expansion and upgrade. Where capital projects involve a combination of new, renewal, expansion and upgrade expenditures, the total project cost needs to be allocated accordingly.</p>
Capital works program	<p>A detailed list of capital works expenditure that will be undertaken during the 2016-17 financial year. Regulation 10 requires that the budget contains a detailed list of capital works expenditure and sets out how that information is to be disclosed by reference to asset categories, asset expenditure type and funding sources.</p>

ANNUAL PLAN AND BUDGET

2019–2020

Carry forward capital works	Carry forward capital works are those that that are incomplete in the current budget year and will be completed in the following budget year.
Differential rates	When a Council intends to declare a differential rate (eg business and residential), information prescribed by the Act under section 161 must be disclosed in the Council budget.
External funding sources (<i>Analysis of capital budget</i>)	External funding sources relate to capital grants or contributions, which will be received from parties external to the Council.
External influences in the preparation of a budget	Matters arising from third party actions over which Council has little or no control eg change in legislation.
Financial sustainability	A key outcome of the strategic resource plan. Longer term planning is essential in ensuring that a Council remains financially sustainable in the long term.
Financing activities	Financing activities means those activities which relate to changing the size and composition of the financial structure of the entity, including equity, and borrowings not falling within the definition of cash.

ANNUAL PLAN AND BUDGET

2019–2020

Financial Statements Section(s) 126(2)(a), 127(2)(a) and / or 131(1)(b) of the Act require the following documents to include financial statements:

- Strategic resource plan
- Budget
- Annual report

The financial statements to be included in the Budget include:

- Comprehensive Income Statement
- Balance Sheet
- Statement of Changes in Equity
- Statement of Cash Flows
- Statement of Capital Works

The financial statements must be in the form set out in the Local Government Model Financial Report.

Infrastructure Physical assets of the entity or of another entity that contribute to meeting the public's need for access to major economic and social facilities and services.

Internal influences in the preparation of a budget Matters arising from Council actions over which there is some element of control (eg approval of unbudgeted capital expenditure).

Investing activities Investing activities means those activities which relate to acquisition and disposal of non-current assets, including property, plant and equipment and other productive assets, and investments not falling within the definition of cash.

Key assumptions When preparing a balance sheet of financial position, key assumptions upon which the statement has been based should be disclosed in the budget to assist the reader when comparing movements in assets, liabilities and equity between budget years.

ANNUAL PLAN AND BUDGET

2019–2020

Key financial indicators	A range of ratios and comparisons of critical financial data allowing a reader to gain a better understanding of key measures, such as indebtedness and liquidity which are often undisclosed when financial information is presented in standard statement format.
Local Government Model Financial Report	Local Government Model Financial Report published by the Department from time to time including on the Department's Internet website.
Local Government (Planning and Reporting) Regulations 2014	Regulations, made under Section 243 of the Act prescribe: (a) The content and preparation of the financial statements of a Council (a) The content and preparation of the financial statements of a Council (b) The performance indicators and measures to be included in a budget, revised budget and annual report of a Council; (c) The information to be included in a Council Plan, Strategic Resource Plan, budget, revised budget and annual report; and (d) Other matters required to be prescribed under Parts 6 and 7 of the Act.
New asset expenditure	Expenditure that creates a new asset that provides a service that does not currently exist. Local Government (Planning and Reporting) Regulations 2014 – Regulation 5
Non-recurrent grant	Means a grant obtained on the condition that it be expended in a specified manner and is not expected to be received again during the period covered by a Council's Strategic Resource Plan.
Operating activities	Operating activities means those activities that relate to the provision of goods and services.
Operating expenditure	Operating expenditure is defined as consumptions or losses of future economic benefits, in the form of reductions in assets or increases in liabilities; and that result in a decrease in equity during the reporting period.

ANNUAL PLAN AND BUDGET

2019–2020

Operating revenue	Operating revenue is defined as inflows or other enhancements or savings in outflows of future economic benefits in the form of increases in assets or reductions in liabilities and that result in an increase in equity during the reporting period.
Own-source revenue	Means adjusted underlying revenue other than revenue that is not under the control of Council (including government grants). Local Government (Planning and Reporting) Regulations 2014 – Regulation 5
Performance statement	Means a statement including the results of the prescribed service outcome indicators, financial performance indicators and sustainable capacity indicators for the financial year and included in the annual report.
Rate structure	Site value (SV), capital improved value (CIV) or net annual value (NAV) are the main bases upon which rates will be levied. The City of Melbourne uses NAV.
Recurrent grant	A grant other than a non-recurrent grant.
Regulations	Local Government (Planning and Reporting) Regulations 2014.
Services, Initiatives and Major Initiatives	Section 127 of the Act requires a budget to contain a description of the services and initiatives to be funded by the budget, along with a statement as to how they will contribute to the achievement of the Council's strategic objectives as specified in the Council Plan.
Statement of Capital Works	Means a statement which shows all capital expenditure of a council in relation to non-current assets and asset expenditure type prepared in accordance with the model statement of capital works in the Local Government Model Financial Report.

ANNUAL PLAN AND BUDGET

2019–2020

Statement of Human Resources	Means a statement which shows all Council staff expenditure and the number of full time equivalent Council staff.
Statutory disclosures	Section 127 of the Act and the Regulations require certain information relating to projected results, borrowings, capital works and rates and taxes to be disclosed within the budget.
Strategic resource plan (SRP)	<p>The Act requires that a Council plan should include a strategic resource plan that includes financial and non-financial resources including human resources.</p> <p>The strategic resource plan outlines the resources required to achieve the Council plan.</p> <p>Such planning is essential in ensuring that an organisation remains financially sustainable in the long term. The annual budget should be consistent with the first projected year of a strategic resource plan.</p>
Valuations of Land Act 1960	The Valuations of Land Act 1960 requires a Council to revalue all rateable properties every two years.
Working capital	Working capital represents funds that are free of all specific Council commitments and are available to meet daily cash flow requirements and unexpected short term needs

Report to the Special Future Melbourne (Finance and Governance) Committee

Consideration of Submissions and matters arising on the 2019-20 Annual Plan and Budget

Presenter: Michael Tenace, Chief Financial Officer

Purpose and background

1. The purpose of this report is to consider submissions in response to the draft 2019–20 Annual Plan and Budget in accordance with the requirements of the Local Government Act 1989 (the Act).
2. The draft 2019–20 Annual Plan and Budget for the 12 month period 1 July 2019 to 30 June 2020 was presented to Council for approval on 9 May 2019. At that meeting, Council approved the draft 2019-20 Annual Plan and Budget for public consultation and referred the role of considering submissions to the Future Melbourne Committee at a meeting to be held on 13 June 2019
3. The draft 2019–20 Annual Plan and Budget was advertised in The Age newspaper and the document was made available to the public to inspect in hard copy form in various locations as well as being available in electronic form on the Council's website.
4. This process conforms to the public consultation requirements of the Act which provides for submissions to be made over a minimum 28 day period and then to be considered by the Council

Key issues

5. At the conclusion of the statutory public submission period on 7 June 2019, 60 submissions had been received with 6 requests to address the Future Melbourne Committee. A synopsis of each submission including management recommendations is included in Attachment 2. A copy of the original submissions is included in Attachment 3.
6. In addition to public submissions received, some changes are being recommended by management.

Recommendation from management

7. That Future Melbourne Committee, after considering all written submissions in response to the draft 2019–20 Annual Plan and Budget and hearing from anyone wishing to be heard in support of their submission, recommends that Council:
 - 7.1. adopts the draft 2019–20 Annual Plan and Budget incorporating recommended changes outlined in Attachment 2 of this report
 - 7.2. notes that public notice will be given of Council's decision in respect to the 2019–20 Annual Plan and Budget, in accordance with section 130(2) of the *Local Government Act 1989* (the Act)
 - 7.3. notes that a copy of the adopted 2019–20 Annual Plan and Budget will be submitted to the Minister for Local Government and copies made available for inspection by the public in accordance with sections 130(4) and 130(9) of the Act.

Attachments:

1. Supporting Attachment (Page 2 of 120)
2. Overview of proposed adjustments to the draft 2019-20 Annual Plan and Budget (Page 3 of 120)
3. Submissions (Page 11 of 120)

Supporting Attachment

Legal

1. The process outlined in this report complies with the requirements of the Act and the *Local Government (Planning and Reporting) Regulations 2014* including the requirement to give the public notice under section 129 of the Act and the requirement to consider and hear submissions under section 223 of the Act.

Finance

2. The draft 2019–20 Annual Plan and Budget previously presented an underlying surplus of \$15.03 million. The financial impact of the submissions and management recommendations will have a zero impact on the draft Annual Plan and Budget underlying surplus.
3. The submission request for funding towards the North Park Tennis Club has been considered by management and endorsed. This has been incorporated into the Capital budget.

Conflict of interest

4. No member of Council staff, or other person engaged under a contract, involved in advising on or preparing this report has declared a direct or indirect interest in relation to the matter of the report.

Health and Safety

5. In developing this proposal, no Occupational Health and Safety issues or opportunities have been identified.

Stakeholder consultation

6. Significant and broad consultation with the Public, Councillors and Council Officers has been undertaken in the development of the draft 2019–20 Annual Plan and Budget. In accordance with legislative requirements the draft 2019–20 Annual Plan and Budget was made available to the public for comment and this report outlines the feedback from the community.

Relation to Council policy

7. The Council Plan and Budget submission process has been conducted in accordance with Council policy

Environmental sustainability

8. In development of the 2019–20 Annual Plan and Budget, sustainability matters have been considered and budget funding provided for various initiatives

OVERVIEW OF 2019-20 BUDGET PROPOSALS

As a part of the 2019-20 Annual Plan and Budget adoption process and in accordance with legislative requirements, Council is required to consider submissions received on the draft Annual Plan and Budget. This report includes public submissions received and other matters arising from the administration since the draft 2019-20 Annual Plan and Budget was approved in May 2019.

PUBLIC SUBMISSIONS (INCLUDING MANAGEMENT COMMENTS)

Submission from Mark Stevenson

1. The Council has received a submission from Mark Stevenson. The submission relates to a request to close Elizabeth Street, between Flinders Street and Flinders lane to traffic and converted into a mall or park.

Management comment

2. The current project scope for Elizabeth Street (between Flinders Street and Flinders Lane) allows for a concept design to include the closure of south-bound lane to vehicular traffic and provide a dedicated southbound cycle lane, footpath and street furniture upgrades, tree planting and integrating flood mitigation measures, including potential reference to former creek.

Management Recommendation

3. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submissions from Andreas Andrews, Nick Anthony, John Armstead, Theodore Arnold-Moore, Ross Borland, Judith Chhoeur, Scott Condon, Rhys Contessa, Glenn Contessa, Le Contessa, Beth Cook, Robert Cooper, Matthew Corrigan, Thomas Crabtree, Alex Croker, Will Crossley, Craig Dodson, Daniel Dyer, Richard Gorr, Poppy Gounder, Aniket Gupta, Andrew Hinkley, Alan Jackson, Daniel Juchnevicius, James Phillips, Cindy Lee, Tania Lee, Grace Li, Peter Lusted, Melbourne University Lacrosse Club, Daniel Miller-Moran, Nicholas Neagle, Saumil Patel, Isuru Peries, Saurabh Raje, James Rawlinson, Samantha Lau, Chander Sejwal, Ken Sharp, Paul Sinclair, Liam Smith, Josh Spilling, Netsanet Terefe, Brian Thomas, Ben Tivey, Nicholas Tsiaras and Griffin Wagner

4. The Council has received 47 separate submissions related to the renewal of Brens, Ryder and Western Oval sporting pavilions in Royal Park. All submissions express support for the redevelopment of these facilities.

Management comment

5. The rapid growth in participation in traditionally male sport by girls and women is a welcome and positive development, leading to increased levels of both physical and mental health and wellbeing. In 2018–19, Council reviewed all of its sporting pavilions to identify deficiencies and opportunities in relation to gender neutral facilities within those

facilities. The facilities are varied in their current capacity to fully accommodate both genders. Council has identified Western, Ryder and Brens pavilions for detailed design in 2019–20 to quickly advance the redevelopment of these facilities. Funds for works on the Northern pavilion in Fawkner Park have also been included in the budget.

Management Recommendation

6. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from David Hancocks

7. The Council has received a submission from David Hancocks. The submission relates to Council's investment in response to Climate Change in comparison to investments in promoting tourism and related events.

Management comment

8. City of Melbourne is a leading city within Australia and ranks among the top cities globally. It is a city managing unprecedented growth and it is one where council, on behalf of the community lives and breathes its vision of being an inclusive city for all people and strives to be bold, inspirational and sustainable.
9. Council goals are fundamental to achieving this vision and should be viewed as complementary rather than mutually exclusive. As a leading council we must strike the right balance and use our leadership position to take climate change action in many direct and indirect ways. The budget mechanism is one way and another way is the council's leadership in changing the way it manages its own Events and in turn changing the way all Events are managed within the city so a new benchmark it set for the benefit of delivering exciting programs of events in ways that addresses climate change.
10. Council encourages the submitter to take a closer look at the investment in other areas of council so they can see how taking climate change action is being embedded in everything we do across the council goals and portfolios and this will continue to strengthen with each year. For example, here are a few of the initiative to demonstrate councils commitment: the 2019/20 budget includes significant investment in Climate Change action including over \$28m in creation and renewal of new public open green space in addition to the annual planting program of over 3000 trees. Council commitment through it draft Transport Strategy to improving footpaths and bicycle networks also features significantly in the 2019/20 budget and contributes towards climate change mitigation. Council has also invested in progressing planning schemes for green infrastructure and continuing the Urban Forest Fund as a financial support for private organisation greening that contributes to public benefit. Further details of Councils actions towards zero net emissions can be found in the endorsed Climate Change Mitigation Strategy, Urban Forest Strategy and Waste and Resource and Recovery Strategy.

Management Recommendation

11. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Janet Graham

12. The Council has received a submission from Janet Graham. The submission relates to a request for an exercise park for seniors in North or West Melbourne.

Management comment

13. Council undertook a review of possible locations for outdoor fitness equipment for seniors which it completed in December 2018. Outdoor fitness equipment is actually designed to be suitable for all ages to utilise rather than a certain demographic. The report identified a range of possible locations across the municipality including North and West Melbourne. As part of the redevelopment of the North Melbourne Recreation Reserve council has already installed outdoor fitness equipment immediately adjacent to the new multipurpose court (home to Blind Sports Victoria). This cluster of equipment is suitable for use by all. The location of equipment to other facilities is important as it leads to the programming and activation of spaces for a range of purposes.

Management Recommendation

14. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Vincent Micallef

15. The Council has received a submission from Vincent Micallef. The submission relates to a request for additional funding for the North Park Tennis Club for the construction costs for new court surfaces and CCTV security system.

Management comment

16. Council has eight tennis facilities across the municipality. Two facilities are leased as commercial operations, five including North Park Tennis Club are leased to volunteer committees to operate and one is managed by the YMCA through the Active Melbourne Recreation Facilities contract. The community leasing arrangements prescribe the responsibility for capital improvements as being for the individual lessees to undertake at their expense. The size and capability of these clubs to undertake capital works is varied. The cost in particular to replace and upgrade degraded courts is quite expensive and often beyond the capacity of clubs to fully or even partly fund. Historically council has provided capital funding to assist with works at a full or partial amount to a number of clubs. It is recommended that council support the request from North Park for funding on a 50/50 based i.e. \$45000 towards their court replacement and \$5000 towards a CCTV system. The club would be responsible for matching (or exceeding) these amounts to enable works to be completed.

Management Recommendation

17. The Council supports further consultation and investigation in regards to the funding required to undertake the proposed capital works and will provide associated funding to a maximum value of \$50,000.

Submissions from Rose Mercer and Michelle Fitzgerald

18. The Council has received two separate submissions related to combustible cladding. Both submissions request funding from Council to rectify non-compliant buildings

Management comment

19. This budget will provide funding for additional expert staff who carry out inspections and audits of buildings specifically in relation to combustible cladding. This is predominantly to ensure that identified buildings where combustible cladding is present are compliant and safe to occupy. Where enforcement action is required to bring a building into compliance or make a building safe, Council's MBS will take the necessary enforcement action.
20. Local government, in particular the Municipal Building Surveyor (MBS), has an obligation to ensure that buildings are safe and compliant with regard to relevant legislation. The MBS has enforcement powers under the Building Act 1993, to cause a building to be brought into compliance, where necessary. The legislation only allows an MBS to take necessary action against an owner of a building, and not any other person such as a builder or relevant building surveyor.
21. The Victorian Building Authority (VBA) is responsible for overseeing the building permit system and building practitioners such as building surveyors, building inspectors, building designers, builders, etc.
22. The Council put the following question to the Liberal, Labor and Greens parties in the lead up to the 2019 Australian Federal election: *'Given the national significance of the financial implications of cladding rectification for building owners, will you establish a rectification relief fund, providing access to grants and low or interest free loans to expedite unsafe cladding removal?'*
23. Additional information, including responses from each party is available on the City of Melbourne website here: <https://www.melbourne.vic.gov.au/about-council/governance-transparency/pages/call-to-parties.aspx>
24. Additional information about the Victorian Statewide Cladding Audit can be found on the Victorian Building Authority (VBA) website here: <https://www.vba.vic.gov.au/cladding>

Management Recommendation

25. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Murray Hohnen on behalf of the East Melbourne Group

26. The Council has received a submission from Murray Hohnen on behalf of the East Melbourne Group. The submission relates to request for the beautification of Wellington Parade and Rail Reserve.

Management comment

27. The land is currently under management of VicTrack, Council is not planning on pursuing this beautification work in 2019-20.

Management Recommendation

28. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Graeme Seabrook

29. The Council has received a submission from Graeme Seabrook. The submission relates to the condition of Queensbridge Square.

Management comment

30. While no major renovation or renewal works is programmed for 2019/20, we will look to attend to some of the higher priority items through maintenance.

Management Recommendation

31. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Melbourne University Soccer Club

32. The Council has received a submission from Melbourne University Soccer Club. The submission relates to upgrades to soccer facilities within the City of Melbourne

Management comment

33. The recently endorsed Princes Park Master Plan supported the installation of a synthetic sports surface on Crawford Oval. This would support the increasing demand for the range of sports in the Park to be accommodated at much higher levels than is currently accommodated on the natural surfaces.
34. The proposed allocation in the 2019-20 of \$50000 would be used for the design, consultation and documentation of a synthetic surface at Crawford Oval. Consideration of capital funding for the installation of a synthetic surface would be included in future council budgets following that consultation and design process.
35. Cyclical ground improvements and renovations occur in all parks based on asset conditions including Royal Park eg the upgrade works on Smith Oval in 2018-19 is

nearing completion. It is recommended that major changes to grounds and usage of Royal Park be referred to a future review of the Royal Park Master Plan.

Management Recommendation

36. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Michael O'Neill

37. The Council has received a submission from Michael O'Neill on behalf of Yarra Pools. The submission relates to requesting funding to finalise the business case development for the proposed Yarra Pool community recreational facility.

Management comment

38. Council has been previously briefed on the Yarra Pools proposal as well as number of other proposals for aquatic facilities located in either the Yarra or Docklands Harbor. While the proposals have been exciting conceptually, council advice to all proponents has been that a sound planning, consultation and business case would be required before Council could consider any level of support.
39. To support one concept over another could create a potential conflict of interest for council if a future decision in relation to proposal was required. Funding for a business case in this instance is not recommended.

Management Recommendation

40. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Tom Keel

41. The Council has received a submission from Tom Keel on behalf of the Carlton Gardens Tennis Club. The submission relates to requesting funding for lighting upgrades for the Carlton Gardens Tennis Club.

Management comment

42. The 2019-20 council plan has an action plan initiative to review the Carlton Gardens Master Plan. This would include an assessment of the current (and any future) lighting infrastructure within the gardens. The assessment includes considerations such as safety and lighting levels.
43. Management will undertake to meet with Carlton Gardens Tennis Club officials as soon as possible to discuss their proposal to leave their court lights on until 11pm

Management Recommendation

44. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Submission from Andrea Knight

45. The Council has received a submission from Andrea Knight. The submission relates to a request to improve the park on the corner of Palmerston and Canning Streets, Carlton.

Management comment

46. While no major works are currently proposed, some ongoing maintenance may be undertaken to improve safety and amenity.

Management Recommendation

47. No change to the draft 2019-20 Annual Plan and Budget is recommended.

Late Submission from Tony Penna on behalf of the Southbank Residents Association

48. The Council has received a late submission from Tony Penna on behalf of the Southbank Residents Association. The submission relates to City Road upgrades, "Shape your Southbank" online portal and City Link Void.

Management comment

49. The Council is committed to the delivery of the City Road Masterplan transforming City Road, fulfilling our long term vision for the area to make it a safe and welcoming place for everyone. This is evidenced by an investment of \$5m in the 19/20 budget and an additional \$13.6m dollars in the 4 year financial plan (\$6m- 20/21 & \$7.6m-21/22).
50. As part of our ongoing capital commitments \$11.9m has been allocated for FY19-20 and will be spent on the continued transformation of Southbank Boulevard.
51. Currently due to existing construction at Southbank Boulevard and Boyd Park any further works in the area would place too much stress on Southbank. We need to ensure we plan the timing of works well to minimise the disruption to residents
52. Further works in Southbank include stage one of the Southbank Promenade renewal project with a \$5.1m investment to revitalise a section of the promenade between Princess Bridge and Evan Walker Bridge by replacing paving, improving lighting and enhancing the growing conditions for existing trees and green areas.
53. Operationally the City of Melbourne is committed to efficient and effective communications, we note that the Southbank Projects page is outdated, this page will be monitored and updated on an ongoing basis.
54. There is currently no funding in the 4 year financial plan for the City Link Void project.

Management Recommendation

55. No change to the draft 2019-20 Annual Plan and Budget is recommended.

COUNCIL AND ADMINISTRATION PROPOSED CHANGES TO THE 2019–20 ANNUAL PLAN

Below is the Council and administrations proposed wording changes to the 2019–20 Annual Plan.

Year 3 Initiative	Change to	Reason
Continue the preparations for the redevelopment of the Bourke Street Precinct, including completion of detailed design, contract award, and stage one demolition works.	Continue to progress the Bourke Street Precinct redevelopment.	Project time adjusted.
Deliver greater investment to small businesses in Melbourne through our grants program.	Deliver greater investment to small businesses in Melbourne through our funding program.	Title updated for clarity.
Develop and implement a communications campaign to raise awareness, support advocacy and promote action on climate change mitigation and adaptation.	Develop and implement an advocacy and communications plan to support advocacy, raise awareness and promote action on climate change and mitigation aligned with relevant endorsed Council strategies.	Title updated for clarity.
Explore opportunities to strengthen Melbourne's status as the esports capital of Australia.	Explore opportunities to strengthen Melbourne's status as the esports and game development capital of Australia.	Title updated for clarity.
Progress investigation of a connected network of green public spaces from Royal Park to the Bay along Moonee Ponds Creek, Docklands, Yarra River Northbank, Birrarung Marr, Domain Parklands and St Kilda Road.	Progress investigation of Greenline, a connected network of green public spaces, from Royal Park to the Bay along Moonee Ponds Creek, Docklands, Yarra River Northbank, Birrarung Marr, Domain Parklands and St Kilda Road.	Title updated for clarity.

The following will be added to the list of strategies and plans in the 2019–20 Annual Plan.

- Docklands Community and Place Plan
- Skate Melbourne Plan
- Transport Strategy

Both of the above items

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

It is great to see money and effort being spent on more open spaces and pedestrian friendly precincts. One area for opportunity is the section of Elizabeth Street between Flinders St and Flinders Lane. A couple of years a "pop up" park was trialed there, but this ended when construction work commenced on one of the buildings on this section of the street.

Can consideration be given to having this whole area closed off to traffic and turned into a mall, or park (or both), with trams along Elizabeth St ceasing at Flinders Lane, still a very short walk to connecting trains and trams on Flinders Street. There is no where in this part of the city for people to relax, sit during lunch, read etc, and I'm sure it would be greatly appreciated by many.

Please indicate whether you would like to address the special Future Melbourne Committee in support of your submission.

No

The special meeting is scheduled to be held on Thursday 13 June 2019 commencing at 5.30pm. *

Draft Annual Plan and Budget 2019-20

Please write your submission in the space provided below and submit **by Friday 7 June 2019**. We encourage you to make your submission as early as possible.

I am president of Youlden Parkville Cricket Club

We strongly support the allocation of \$200 000 to design the renewal of Ryder Oval sporting pavilion in Royal Park, with construction expected to start in 202.

Youlden Parkville Cricket Club (YPCC) has played in and around Royal Park since 1875. This year we were awarded Cricket Victoria's Community Club of Year.

Our community is extremely pleased that the City of Melbourne have allocated funds in the 2019-20 FY to plan for the redevelopment of Ryder Pavilion. It is an investment desperately needed to effectively prepare for the rapidly growing numbers and diversity of people wanting to get involved in community sport within Royal Park.

Ryder Pavilion and adjoining change room facilities were constructed in the mid-1990s and have served our club

extremely well. However, these facilities are no longer able to adequately meet the needs of our growing and diverse community.

For example when the Ryder Pavilion was constructed in the 1990s YPCC fielded 3 senior men's teams. We now field 20 men's, girls and boys teams.

The Ryder change-rooms are full of wasted space and don't provide adequate or appropriate male and female toilet or showering facilities.

The current pavilion is tired and worn. Its food storage and preparation areas are dysfunctional and a nightmare for volunteers to clean and keep safe. No fridges are provided and the single domestic oven is suitable for a family of five but not a club of more than 200 people.

Food is a powerful tool for strengthening our community.

Kitchens matter. Food literally brings people together. Sharing food creates social cohesion and expands networks of care and support between club members. The days of sporting clubs running functions consisting of a VB and supermarket beef sausage are long gone. To be a genuinely inclusive club we need to provide halal and vegetarian options at all club functions – and we run three functions every week during summer. A great commercial kitchen is desperately needed.

Clubs also depend on their kitchens to generate income from food. Otherwise they are forced to rely on alcohol sales to generate income. A large, functional kitchen would create to hold inclusive cultural functions in the pavilion. For example, at the moment when we hold an annual celebration of our Indian, Pakistani and Sri Lankan families, food is cooked by people at home then transported to the club.

The Ryder Pavilion is literally bursting at the seams. Spouting is eroded and leaks. Doors and windows don't close or open properly. Ambient temperature in summer is hot and shading non-existent. The current building has no sustainable energy saving, production, or water use features.

Storage for sporting, catering and cleaning equipment is grossly inadequate and is vulnerable to vermin.

The existing facilities are just no longer fit for purpose.

As you are aware demand for sporting facilities within the City of Melbourne is high and will outstrip facilities supply over the next decade. Ryder Pavilion already sits at the epicentre of this growing demand. Ryder Pavilion currently

services large numbers of male and female junior sportspeople within Royal Park across winter and summer sports.

The Ryder Pavilion is the most easily and safely accessed facility in Royal Park by car, public transport or bicycle.

A redeveloped Ryder pavilion will become a hub within Royal Park for our growing community, and strengthen the already deep connections between community sporting clubs and the residents of the City of Melbourne (particularly those living within the CBD, North Melbourne and Carlton).

We passionately believe the City of Melbourne can redevelop the Ryder Pavilion and change rooms in a way that can create a valuable community asset for a generation or more and do so in way entirely consistent with enhancing the environmental, heritage and community values of Royal Park in harmony with local residents.

YPCC stands ready to work with the City of Melbourne and other stakeholders to make the redevelopment of Ryder Pavilion a huge success.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I think the amount of money dedicated to promoting tourism and related events is disproportionate compared to the funds to be applied to climate and environmental issues.

At the moment Response to Climate Change is to be funded at about the same level as Events Promotions and Tourism.

I would like to see much much more go to Climate Change Response, and believe that in the long term that will be more beneficial for Melbourne's tourism appeal anyway.

I especially would encourage the City to pay better attention to the health and welfare of its parks, the development of its urban forest, and the benefit effects of these aspects of the City on human and all other life forms..

Regarding the rooms at western oval I would propose a full rebuild of the rooms. There are so many issues with them and it's in an area where these grounds could be put to much better use especially with the emerging women's sport scene. In my view the issues with the rooms are:

- Overall facade needs a complete revamp
- Rooms are too small to fit full teams in
- Add heating/cooling as the brick building gets extremely hot or cold depending on the season
- More windows so it doesn't look like a 1970's toilet block/to add more circulation of air
- Better umpire rooms

As a player of Royal Park/Brunswick Cricket Club these changes would mean the world to us as a club. We have a long standing tradition and it would be incredible to see new rooms in which the next generation of players can enjoy

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

The western oval pavilion needs to be upgraded as it looks like a brick outhouse and not a welcoming one to attract players and the community. Once inside there is no heating or cooling and cramped changing rooms that are too small to use as a change room, and the showers are inadequate for their purpose. The whole pavilion is not welcoming to female sports or guests as there are no real facilities for them and it is hard to get partners and family to attend the club as it is not family friendly and the kitchen is not up to scratch as it has not been insulated in the middle of summer it is a sauna in the kitchen as there is no cooling system.

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

- Limited Space
- No female toilets or showers
- Very unattractive / people think it is a toilet block
- Lack of safe storage – Things get stolen all the time.
- Insecure – has been broken into multiple times.
- Lack of ventilation
- No heating / cooling – It's unbearable to sit inside during summer. The only way to cool down is to have every single door open, which is unsafe for personal belongings.
- Inadequate and out of date kitchen facilities for preparation and storage of drinks, food and snacks during playing times and after playing time functions. We're unable to prepare afternoon tea for all players at once.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

Love the fact our Western Pavilion is receiving an uprage. It's much needed due to the limited space, lack of female bathroom facilities and the fact it is very uninviting due to its old decor.

The lack of heating/cooling makes for an uncomfortable environment and most likely against oh&s standards.

This will no doubt be a positive for the community as the location attracts a lot of visitors, whether it be watching sport, walking the dogs or even participating in swordvraft. With thousands of people using the facilities, it just makes sense to ensure they are of a high quality.

Many thanks,
James.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I believe that the Western Pavilion changing rooms are in desperate need of funding to ensure gender equality expectations are met. Currently within Western Pavilion there is no specific women's changing room facilities. The rooms are also very aesthetically unpleasant on the eye and very outdated. The lack of an efficient cooling system makes staying inside the rooms at functions and on game day uncomfortable for stakeholders having a knock on effect for the club. As a cricketer where the heat rule at 38 degrees comes into play, the temperature in the rooms would be far greater making it unsafe for spectators.

The rooms at Western Pavilion require much needed upgrades to bring the community together and increase participation in sport across all genders.

Both of the above items

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

To whom it may concern,

As a Life Member of Royal Park Brunswick Cricket Club who has used Western Pavilion for over 25 years, I believe the following concerns continue to present significant issues for our members:

- no female toilets or female friendly change rooms
- lack of safe storage facilities
- lack of general room space
- no heating and/or cooling
- lack of ventilation
- external structure not aesthetically pleasing

I believe that if the above issues were addressed, this would allow for greater participation in community sport.

I look forward to the ongoing developments of Western Pavilion.

Kind regards,

Rhys Contessa

Really pleased the Western Pavillion is set to receive some much needed funding.
Been trying to start up a Royal Park Women's cricket team but there are no female changerooms/showers. There is also limited ventilation & no air con or heating so an upgrade would be very welcome in the stinking hot summers.

Please write your submission in the space provided below and submit **by Friday 7 June 2019**. We encourage you to make your submission as early as possible.

Absolutely fantastic news that money has finally been allocated to the design/feasibility of western oval pavilion. My family has used the facilities for over 40 years through our involvement in the Royal Park Brunswick Cricket Club. I have been involved at the club (and those facilities) my whole life. While there have been small improvements to western oval pavilion over the years, there are currently many deficiencies in the club rooms. As a volunteer, player and supporter of the club, I am looking forward to having change rooms to cater for all of our teams on match days, not just for half of the players. I am looking forward to having ample space to store our equipment and not having to replace equipment that has been stolen or damaged by weather. I am looking forward to being able to bring my partner and her friends to the club room and not being embarrassed to show them to the single disabled toilet that doubles as a female toilet. I am looking forward to relaxing in the club room after training/match with natural light and aircon/heating. I am looking forward to not being asked if our club rooms are a public toilet block. I am looking forward to volunteering to cook and work behind the bar in a kitchen big enough to allow us to enjoy our volunteering work.

This is a major boost for not only the cricket club I am involved, but for the many other users of the pavilion and the broader royal park area. Thank you!

Proposed amendments to the 2017–2021 Council Plan

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I believe the plans will help the cricket club as well as also the local community. I played cricket for RPBCC coming over from the UK for the season. I didn't know the rooms were even used for cricket. This I feel needs to change both to encourage more local people to play of all ages and abilities! Moreover, the existing facility needs additions changing and storage facilities as if there are two matches being played at the pitches then changing facilities need to be shared. This means lack of room as well as also showering and other facilities being overcrowded. I'm addition, many social events were held during my time at the club, I feel an extension and improvement would improve both the profits to the club as well as also being an attractive social facility for other events.

The redevelopment of the Western Pavilion at Western Oval, Parkville would be one of the best changes to come around.

The current pavilion is too small and has very limited space, especially for equipment.

We're having trouble starting a women's XI in our club due to a lack of Women's showers and toilets at the venue.

The current pavilion looks like a public restroom and we've had people coming in thinking its a public toilet.

There's no heating and/or cooling facilities in the pavilion and that makes games on hot days even more unbearable. It stops spectators from visiting the bar and costs the club.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

Ive have been a member of the Royal Park cricket club for 22 years and before that spent my childhood in the western oval pavilion as my dad played over 250 games fro West Brunswick, in that time there has been a very minimal change to the club house.

some 4 years back Swordcraft (who i believe have 500 odd members) took residence in the pavilion with their large amount of belongings leaving no storage room at all – Royal Park Brunswick cc took it upon ourselves to build the current shelving system so we could cope – so larger storage space is absolutely needed for the three tenants to co-exist in the space.

The female toilet doubles as a disabled toilet and has so for as long as I can remember (35 odd years) which has stopped us as a club from starting a female cricket team.

The club house itself is uninviting to outsiders, it has little to no natural light, no heating or cooling apart from 40 y.o. fans, and the shower/toilet area is just plain awful

I welcome the proposal for a new clubhouse which can fix all of the above and make my cricket club more inclusive and comfortable for the whole community and lead to a better relationship between the co-tenants.

Having been a member of RPBC for over 45 years, I have seen very little in improvements to the pavilion. which is in reality two change rooms, doubling up for social space.
There is inadequate space, no cooking facilities of any note, poor toilet facilities & certainly not female friendly.
It has no aesthetic appeal for the surrounding area & does not offer any viewing of the ovals due to no windows in the building. This of course does not assist with ventilation.

Draft Annual Plan and Budget 2019-20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I am very excited to read in the Draft Annual Plan that Melbourne City Council is proposing to upgrade the facilities of Western Pavilion which is used by Royal Park Brunswick Cricket Club, among other local community clubs including Lacross club.

I am an ex player and committee member of RPBCC serving 3 years between 2012/13 – 2015/16.

For too long the existing 'brick box' is a scar on the beautiful green space that is Royal Park. Whilst playing cricket there we would frequently get members the public walking up to it thinking that it was a public toilet – ironic considering there is no space for female toilets inside!

It is widely known the positive effects that local sporting clubs have on the wider community – including reducing crime and anti-social behaviours, encouraging community participation in volunteering and increasing social capital. So it is great to see the Melbourne City Council support the badly needed upgrade of the existing facilities!

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I support the proposal to redevelop the Western Oval Pavilion which is home to the Royal Park Brunswick Cricket Club (and other local sporting clubs).

As a former player at the cricket club I can attest that the facility is well behind current community standards for an inclusive sports pavilion. The facility is currently not fully inclusive for all participants, and in particular needs to be upgraded to support greater female participation.

Overall the facility needs to be developed to help create an inclusive sports environment that can be used for current and future generations.

Congratulations to Council for taking the initiative to undertake this development.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit **by Friday 7 June 2019**. We encourage you to make your submission as early as possible.

It is fantastic that Western Pavilion is receiving funds to upgrade the rooms. It's an unattractive space that most people assume is a toilet block, yet is essential for so many great community clubs to function, from Royal Park/Brunswick CC (RPBCC), to the lacrosse club, to West Brunswick Football Club (WBFC).

There are currently no female toilets or showers, despite the large (and successful) womens team at WBFC, and has make it difficult for RPBCC to start up a womens team despite numerous efforts over the last 5 years.

The building lacks ventilation of any kind, as well as having no heating or cooling. Due to the strong community clubs in place it hasn't impacted their enjoyment, but has limited ability to host functions and embrace the wider community. There is also a lack of safe storage space, which is quite obviously problematic.

I greatly look forward to seeing the upgrades, making it a better space for the sports teams who call it home, as well as the wider local community.

Kind regards,
Ross Borland

As a life member of Royal Park Brunswick I feel that by improving the club room it would be a huge benefit to our club and also the local community. I believe at the moment it is an uninviting place because the rooms look like a public toilet block with poor lighting, no heating or cooling and because of the facility we are struggling to attract female members of which we have been trying to field a female team for the last 4 or 5 years

Western Oval Pavillion, Park St Parkville. The existing modified change rooms and toilet block were built pre 1980 . Total facility replacement to include facilities to cater for male and female change rooms , showers , toilets to cater for both sexes and social/ viewing areas essential to provide for the varied use by multi sporting and interest groups. Me Being a life member of Royal Park Cricket Club and my father before me, our association goes back to 1948 when the only facility at the ground was a Council provided small toilet block. Royal Park C C was also born out of Hoffman's brick works, I believe in Dawson St Brunswick way back.

Use also by Ransford Oval users , as happens now , would seem desirable.

Acknowledgement to the now Royal Park Brunswick Cricket Club , your long term tenant, for providing the continuing sporting club to the thousands who have played there over the years I believe is totally justified.

It is worthwhile, justified and required that the Western Oval Pavilion receives funds and is upgraded.

In order for the councils and communities objectives of improving our health and community connection and support.

The Western Pavilion can be improved through a number of key points:

1. Improving the connection for the occupants to the park, currently it is shielded off and enclosed. It's history lies in the old design of public toilets, which is a design trait that our community doesn't associate with safety, inclusion and promoting health. This is the main item that must change.
2. Increasing the interior space to allow for more community members to use it. Currently the space restricts the amount of members that can sit within it, a small proportion of the members of the clubs can utilise it as it cannot fit them all. Maybe as part of the design of the Pavilion , it could be opened up to the park to increase the capacity during good weather. As well as improved entertaining facilities such as kitchen space to maximise its potential use and benefit to the community.
3. There is currently 1 main male toilet and showers room, and a seperate female cubicle. There must be female facilities included to support clubs and teams.

4. Improvements to the storage is a must for simple practicality. The community's clubs have equipment as well as the participants. A key to a successful community facility's is their ability to accomodate both and encourage both to perform, and encourage its use and sense of security. Suitable storage and access to the parks is a key part of a community pavilion and must not be the residual space in the design.

5. Currently the existing pavilion is poorly ventilated, has poor thermal mass, and it's ESD credentials are below community standards. Sensible passive design and ESD are keys to our identity as a community for our future generations.

These are the main items that I wish to bring up.

I do look forward to this project creating a large benefit to the community , and future generations.

Regards

Matthew Corrigan

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

The Western Oval Pavilion redevelopment is critical to allow the tenant clubs to flourish and provide a far more volunteer participant friendly environment.

- Limited Space for the club to engage the community
- No female friendly toilets or showers
- Very unattractive / people think it is a toilet block
- Lack of safe and effective storage
- Lack of ventilation and light in the existing rooms, makes it unbearable in both winter and summer
- No heating / cooling to provide comfort to users
- dated kitchen amenity that is not practical

As a member, volunteer, participant of RPBC for over 30 years, it's critical that the redevelopment address the effectiveness of the pavilion for all users.

I am a member of the Melbourne University Lacrosse club and have been so for 7 years now and lived in the city of Melbourne for 10 years. The club has done a great job building a community and it would be great to see the club rooms become better suited to helping foster this community. Particularly modifying it so that people can spectate the matches from inside shelter as many of our games in winter are cold, wet and windy. Similarly an improvement to the kitchen and change rooms would make the area more inviting and better able to serve the community that meets there.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

Hi,

I'm a lacrosse member who is a user of the club facilities and am grateful to get the chance to voice my opinion.

Due to recent tragedies at Royal Park, I think it's important to increase the amount of lighting available at Western Oval to improve the safety of the area.

I also think it'd be beneficial to improve on the clubhouse facilities. This can be done by increasing the number of toilets for females; this creates more gender equality because in our current situation, male toilets are outnumbering female ones.

Additionally, to provide a more community atmosphere, it would be good to renovate the kitchen area to create a more homely feel where we can have small functions or gather together on a cold, rainy day. Heating and air-conditioning would also be helpful.

As many sports matches are held at Western Oval, I think it would be nice to create a comfortable platform or extend the clubhouse to accommodate for spectators as it can get very cold watching, especially when it's raining.

The current storage situation is quite a tight squeeze and could do with some expansion and reorganization.

In sum, my main points were improved lighting, more females toilets, kitchen renovation for a community atmosphere, heating and air-conditioning, creation of a spectator's platform and storage expansion.

If there is even I slight improvement, I and all the users of the public club facilities will greatly appreciate it.

Thank you for your time.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

Dear Council

Could you please consider establishing an exercise park for seniors in North or West Melbourne as part of the \$19,000 budget for community facilities. I would be happy for a portion of my increased rates to go towards this.

In view of the "expected unprecedented population increase" foreseen, which will surely include many senior citizens as we enjoy longer lives, I believe an informal exercise activity of this kind would be highly beneficial to both the physical and mental health of older people. Please view this video: <https://www.youtube.com/watch?v=UUo7rW87mzs>

An ideal location for a seniors' exercise park would be Errol Street Reserve, which has a large expanse of bare ground following the unwelcome removal of a number of trees.

Yours sincerely

Janet C. Graham

Application form:

Draft Annual Plan and Budget 2019–20 and Council Plan 2017–21 review

Applicant- North Park Tennis Club

Address- Crn Elliott Ave and Flemington Road, Parkville VIC 3052.

Postal address-

Club Contact- _____

Position- Project and Maintenance Manager.

Locality plan-

Project Overview

North Park Tennis Club, Tennis Court Resurfacing.

The three existing synthetic grass tennis courts on site at North Park Tennis Club are in need of replacement. They have become worn and for play, appearance and safety reasons it is our intention to have the courts resurfaced. The preferred surface is a green synthetic finish similar to the current court surface and in keeping with the park surroundings. We have sought several quotations and have ascertained that replacement cost for a good quality synthetic grass will be in the order of \$90,000 (inclusive of GST). We are also wanting to install a CCTV security system for the safety of members and building security, the estimated cost for CCTV system is \$10,000.

Total budget cost is \$100,000.

Tennis Club Membership and Community Use.

North Park Tennis Club is a community-based tennis club that places emphasis on providing a safe and enjoyable facility for the local community. We cater for club members, casual public court hire, tennis coaching for adults and juniors, and we run an ongoing community inclusion program of various specialised programs that provide access to disadvantaged groups within our community so that they may have the opportunity to experience tennis for their physical, mental and social wellbeing. In partnership with other local and wider organisations (Brotherhood of St Laurence, MIND Australia, Western Autistic School, local neighbourhood houses and Department of Justice) we have organised and provided tennis programs that have targeted under privileged and vulnerable youth from low socio-economic and CALD backgrounds, women and girls, disabled youth, adults suffering with a mental condition or disability, and marginalised youth from the local juvenile detention centre. We also enable St Aloysius College, St Brendan's Primary School, North Melbourne Primary School and Flemington Primary School to run their own tennis program utilising the facilities at North Park.

North Park Tennis Club allocates dedicated time to coaching for local community patrons and club members with coaching programmes for school children during school holidays. We provide tennis competition from Tuesday to Saturday for adults and juniors in association with the Northern Suburbs Night Tennis Association and the Northern Suburbs Junior Tennis Association respectively. Competition consists of junior tennis on Saturday mornings and Friday nights, ladies on Tuesday nights, mixed tennis on Wednesday nights and men's competition on Thursday nights. We provide three sessions weekly – two night and one daytime session - for members to play socially. This enables members to play regularly with each other, which builds friendships and strengthens the sense of community. An open invitation to anyone in the community is extended to join these sessions with a 'try-first' policy and from this we attract players from far and wide based on this social tennis program that we offer and the welcoming nature of our club. As an extension to our social tennis, we have multiple celebratory events for our members, and the high attendance numbers each time is testament to the sense of belonging that people feel to a club and community. The club house, its courts and operational matters are entirely run by volunteers, a dedicated team that put outstanding efforts in maintaining such an attractive and well-run club and facility.

Our membership continues to grow. In recent years our membership has risen from 100 patrons to around 200 plus a substantial number of casual users. Our geographic area is growing in population with many new medium and high-density residential apartments being constructed. With the limitation of space that comes from apartment living and health trends of our population, the demand for residents to get out and be more social and active is widely promoted. Centred in the beautiful surroundings of Royal Park, our local club will continue to provide for this need but anticipate even a greater need for our facility in the future.

The graphs below indicate court usage and membership.

Project Cost and Contribution

North Park Tennis club only has three tennis courts and therefore considered as a small tennis facility, however we have demonstrated that we can provide a service and facility to members, non members and many community groups in our area.

In order to continue to provide a community facility we are finding that the increased use of the tennis courts does lessen the court surface condition and life span. We are requesting that the MCC consider a financial contribution to the cost of renewing the court surface. Our intent is to have the surface renewed in November 2019. The programme window for construction of a new court surface is very restricted as it has to occur between tennis competition seasons, so we are locked into a November four week programme; however at this stage we have not engaged a contractor.

For security of members and social patrons we are proposing the installation of a CCTV camera system, the recording would be on a cyclic programme and only need to be viewed as required, thereby maintaining some privacy to the tennis court users.

As part of the MCC Annual Plan and Budget 2019-2020, we are requesting that the MCC consider a contribution of \$60,000 toward the construction costs for the new court surfaces and the CCTV security system, with a North Park Tennis Club contribution for the balance of costs.

We trust that MCC will consider this request and look forward to your response as soon as practically possible.

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I am a member of the local lacrosse club who uses the Western Oval and Pavilion clubhouse for training twice a week and home games. I'm delighted to hear of the Council's plans to revamp this space!

At present, the clubhouse is a drab and – frankly – unwelcoming place with poor lighting and dingy change rooms and toilets. I would love to see it transformed into a community-focused space where the team can gather for meals after training, strategy talks before home games, and more. A few weeks ago we played a match against Brunswick at Fleming Park, and afterwards were set up with dinner in their clubhouse – I would love for this to be possible at the Pavilion too.

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit **by Friday 7 June 2019**. We encourage you to make your submission as early as possible.

I have played for Melbourne University Lacrosse Club for five years. Since moving from the UK seven years ago I decided to play lacrosse to stay fit and healthy. In the UK I played lacrosse from a young age and have always enjoyed the sport.

Melbourne University Lacrosse Club needs a new club house so it can cement its position as a community sports club. I did not attend Melbourne University but I am part of the club. This club is more than just its players and pitches, the future of this club is in the community. The teams provide an opportunity for those with the passion and knowledge to pass it on the others. Sport in Australia is a massive part of society and those with the enthusiasm to see others play lacrosse need a place to come together.

In the UK the clubhouse was a big part of the appeal – a hub where players, coaches, staff, volunteers, family members and visiting teams all came together. It is vital for junior members to feel part of something bigger so they can take on the responsibility of the future of the club.

The Western Pavilion does not cater for all those who are part of the Melbourne University Lacrosse Club. There is one toilet for women. The kitchen is outdated and the main room is cold and unwelcoming.

Whilst it maybe the home for a university team, the fact that it is a Melbourne sports club means it deserves the best for the people of Melbourne.

Find it unfathomable that owners of apartments who have bought their homes in good faith and with council and builder residency certification can then be held accountable for the costs involved in rectification for the flammable cladding. Council should make builders responsible and be prepared to provide funding for rectification works if the builder is no longer in business. Please make funds available in budget for this!

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

When will you provide money in the budget to fix resident buildings that are not compliant and/or have combustible cladding? The current focus of blaming the victims of poor building practises and absent gov. oversight seems not to be in the voter and rate payer's interest. A chamber full of lawyers should be able to figure this out.

We, along with every purchaser, bought our home knowing that all the safety certificates are in place and there was no problem with our new home. This includes certificates by council inspectors too!

Your budget talks about keeping the people of Melbourne safe. Well, we're not safe and we pay rates. What will you do about it??? And please – don't say it's not for you to do something because it is. Buyers are the only innocent people in this whole disaster.

RE: Western Oval sporting pavilions in Royal Park.

As a frequent user of one of the Western Oval sporting pavilions in Royal Park this is very exciting and long overdue. I am a member of the Melbourne University Lacrosse Club and enthusiastically endorse this plan. I believe the greater community and our lacrosse club would benefit from:

- (1) More water taps closer to the western oval pavilion. The closest one is far away and people miss it all the time. The only access to running water is through the kitchen which can be locked. This would encourage people to bring their own water bottles and would make refills more accessible.
- (2) Distinct female and male change rooms: I am too afraid to get changed in case of someone walking in as the signs are not really clear, and there is no actual door. There are a significant amount of females who train or have games at Western Oval.
- (3) Better Lighting: During winter it can be very dark as the lighting is limited.
- (4) More comfortable area of congregation: Our meetings are held in what seems to be a very large hallway. It would be nice for official chairs, tables and possibly windows to make it more "comfortable" and legitimate. This space could then be extended to use for functions and for venue hire etc.
- (5) Build sustainably for less maintenance and impact on our environment: Better use of recycled building materials, windows for natural light, proper insulation to avoid unnecessary heater/air-con installation, and rainwater tank usage

if possible. Also, if other organisations were to rent our facilities during off-season, this may be a great selling point, as more and more organisations are making conscious choices about where they spend their money.

(6) Bicycle friendly parking stations: A lot of people already commute by bike to attend training and may encourage more people to cycle.

(7) Better parking roads rather than gravel and stone with many potholes and puddles.

(8) In-built BBQ facilities as we have hold fundraisers during out games

Please indicate whether you would like to address the special Future Melbourne Committee in support of your submission.

Draft Annual Plan and Budget 2019-20

Please write your submission in the space provided below and submit **by Friday 7 June 2019**. We encourage you to make your submission as early as possible.

To Whom it May Concern,

On behalf of Royal Park Brunswick Cricket Club i make the following submission.

Royal Park Brunswick Cricket welcomes the news that there is to be \$200,000 in the 2019/20 City of Melbourne budget for stakeholder engagement and the redesign of Western Pavilion with funds forecasted for development for 2020/21.

Western Pavilion is our proud clubs' home and will continue to be for many years to come.

Regarding the current pavilion we make the following comments:

- Limited Space

- Lack of female facilities (Change-rooms & Amenities)
- Very unattractive (Regularly mistaken as a toilet block)
- Lack of safe storage (RPBCC's storage cage has been repeatedly broken into and damaged)
- Kitchen is outdated and inadequate to the clubs needs
- Lack of ventilation (No natural airflow to the Kitchen and limited to the social rooms)
- No heating / cooling
- Outdated and dysfunctional kitchen
- Lack of safety measures (CCTV, Lighting)

In recent times RPBCC have made efforts to create a women's side which has proven to be unsuccessful with no small part being as a result of our lack of facilities.

Given the quality of the playing ovals, location and recruitment area an upgrade to Western Pavilion is required to bring the facilities in line. Benefits of this upgrade are likely to include (but are not limited to) increased participation in sport (both women and men), greater satisfaction and pride from the local community, the use of superior facilities when hosting events such as the Harmony Cup and a greater utilisation of the space by the existing clubs.

We look forward to working closely with City of Melbourne and thanks for your help in making this happen!

3rd June 2019

To Whom It May Concern,

We are the Melbourne University Lacrosse Club, the long-standing winter season tenants of Western Oval and Pavilion in the Royal Park North district. Established in 1883, we are the oldest continually running lacrosse club in the world. Our member base consists of approximately 100 players ranging from 10 to 55 years old. We are proud to be an inclusive, community-minded club in that our 7 teams are open to everyone- not exclusive to university students- and that 20 of our existing members are female. We fully support the City of Melbourne's draft plan and budget which includes the plan and intention to redevelop Western Pavilion.

The current state of the pavilion is not conducive to the needs of our wider community in the promotion of active lifestyles and overall physical and mental health and wellbeing. We want our shared clubhouse to be a welcoming and inviting place for our sporting communities. A place where our members, spectators and volunteers want to be. The pavilion is currently situated approximately 50 metres away from Western Oval. Given that the structure is also fully bricked in, spectators and volunteers are unable to view our games from inside the pavilion. Furthermore, the members of our club community do not feel encouraged to build rapport in our clubhouse due to the poor kitchen and hygiene facilities, and deteriorating state of the building itself.

Our strong endorsement of this draft plan and budget is in one part due to the necessity for upgrades to meet the needs of the changing sporting demographic. Our club alongside with our shared tenants of Western Pavilion, Swordcraft, have a significant number of female participants. However, the single female toilet and the unisex showers within the building do not reflect and do not accommodate for the female users of the facilities. This current building does not reflect the core value of gender inclusivity that City of Melbourne actively promotes. Thus, we strongly support the council's plan which outline creating gender-equal facilities.

Thirdly, our approval of the draft budget is due to our recognition and understanding that our facilities are in dire need to be upgraded to ensure it is a safe place. This is particularly highlighted in light of several recent horrendous incidents around the Royal and Princes Park area. Consequently, we share a significant concern for the safety of our club members. Our clubhouse on Park Street is situated in a poorly lit area of the park. Many of our club members often raise the issue of safety when walking between the clubhouse and Western Oval, particularly since we train in the dark hours of the winter months. Additionally, the nature of lacrosse means that bulky and heavy items are required to be carried long distances onto the field from our small storage space. We express our concern for potential occupational health and safety issues that may arise because the facilities are not fit-for-purpose. The upgrade of this facility to include more appropriate fit-for-purpose storage options would not only benefit the Lacrosse club, but also the other pavilion tenants; Royal Park/Brunswick Cricket Club and Swordcraft.

Thank you for your time in reading this letter and for inviting us to share our views on the City of Melbourne draft plan and budget. We look forward to working in partnership with you in the near future.

Yours Sincerely,
The Executive Committee of the Melbourne University Lacrosse Club

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit **by Friday 7 June 2019**. We encourage you to make your submission as early as possible.

As a resident of the City of Melbourne and a user of the facilities as a member of the Melbourne University Lacrosse Club, I fully support the council's plan and budget.

I am excited to see upgrades to Western Pavilion as well as the other surrounding sporting pavilions. The facility is well past its due date in its deteriorating state. As a female player, I am constantly appalled by the lack of female facilities in the clubhouse, as I am sure the rest of my team mates agree. In addition, the social area and kitchen of Western Pavilion does not provide a welcoming and inclusive environment. If anything, we avoid spending time there because of the lack of heating and sunlight, the impractical kitchen and poor shower and toilet facilities. I envision that upgrades to Western Pavilion would significantly help build a sense of club community and welcome more players and spectators to the sport.

One other major aspect that I hope these plans will assist with is the increased safety around the area. The space around the pavilion is not particularly well lit. It is also very dark when we start and finish training. I am often concerned for my team mates when they need to walk to or from the pavilion to the field for whatsoever reason. We do tend to travel in pairs or groups because of this.

Hi,

I'd like to add that I support the council's \$200k budget towards the development plan for the Lacrosse clubhouse on Western Oval.

I support increased bathroom facilities for females on sports fields, and increased surveillance and safety measures around the area (given the latest tragic event around the murder of a woman near the clubhouse).

I also support the council's playground plan for Lincoln Square and plan for more green and child-friendly areas in the municipality.

Regards,

Tania Lee

Re: 2019/2020 Budget – Wellington Parade and Rail Reserve Beautification – lack of funding

The East Melbourne Group wishes to draw your attention to the desirability of a project to beautify the Wellington Parade and Rail Reserve. Despite the efforts by EMG and City of Melbourne over a number of years, nothing has yet been achieved.

Most of the land is under management of VicTrack and extends along the Parade from the former police station (now vacant land at the corner of Vale St) to the Spring st/Wellington Parade car park.

As one of the gateways to Melbourne, one of world's great cities, the Parade does not reflect CoM standards in regard to planning, beautification and use of a community resource.

In the past funding was allocated for the preparation of a feasibility plan for the Parade. Unfortunately the money was spent or reallocated after development of a concept plan that would, in part, have restored Hoddle's vision of a grand boulevard leading to the city.

It is requested that the funding of a feasibility study for this project be reinstated as part of the 2019/2020 budget.

Regards

Murray Hohnen

4 June 2019

RE: Draft Annual Plan and Budget 2019-20

To the Future Melbourne Committee,

On behalf of Melbourne University Soccer Club and its members, I would like to the following comments on the Draft Annual Plan and Budget 2019-20:

- 1) MUSC is supportive of Program Code 19B4418N - Synthetic Sports Field Installation (Princes Park) in the draft budget and warmly welcomes Council's investment in facility upgrades that will assist in meeting the growing demand for football (soccer).
- 2) MUSC brings the Victorian State Government's *The World Game Facilities Fund* to the attention of the Future Melbourne Committee. The Victorian Government has committed \$20 million to the fund.

Only local government authorities can apply for the funding for football (soccer) projects that could include, but are not limited to:

- outdoor synthetic surface installations,
- unisex accessible change rooms,
- outdoor sports lighting that improves participation opportunities and safety,
- projects that result in improved ground capacity, such as warm season grass conversions, or
- projects that result in energy or water efficiency, such as LED lighting.

MUSC urges Council to consider investing in football infrastructure in the City of Melbourne while this State Government funding is available.

- 3) MUSC proposes that Council consider funding in the budget for the:
 - a. Installation of a synthetic football (soccer) field at Soccer 7 (Princes Park).
 - b. Installation of a synthetic football (soccer) field at Ryder Oval (Royal Park).
 - c. Redevelopment of Lawn 7 (Royal Park) as a football (soccer) precinct.

The two football (soccer) pitches at Lawn 7 are not currently maintained to a standard suitable for training or matches.

Development of the site to provide a quality football (soccer) facility with

- multiple pitches meeting WNPL/NPL facility requirements,
- sports lighting,
- unisex accessible changerooms, and
- quality spectator facilities

would be a fantastic addition to the municipality's sporting facilities.

All these projects would be in line with the Council's goal to create a city for people.

Melbourne University Soccer Club (MUSC) was founded in 1947 and has a long history as a tenant of the Princes Park sporting fields and pavilions. With 19 senior teams and approximately 380 playing members each year, MUSC is the largest senior football (soccer) club in Victoria and is proud to run the largest women's football (soccer) program in Victoria.

MUSC is the current winter tenant of the Northern Sports Pavilion at Princes Park and a tenant of the following sporting fields: Soccer 1 – 6 (Princes Park), Crawford Oval (Princes Park), Soccer 7 (Princes Park), and Ryder Oval (Royal Park). In 2018 the club had a pre-season allocation at Lawn 7 (Royal Park) near the State Netball and Hockey Centre. MUSC was relocated to Lawn 7 (Royal Park) while the Princes Park sporting fields were redeveloped in 2014.

Melbourne University Soccer Club is an important City of Melbourne community sporting club. The club facilitates active living in the City of Melbourne by providing footballing opportunities to hundreds of people who live, work, study and visit the Melbourne municipality. MUSC plays an important role in the lives of many university students moving to Melbourne from regional areas, interstate or overseas, helping them settle in Melbourne and form social connections through participation in sport. MUSC has a reputation in Victoria's football community as an extremely welcoming and inclusive club- individuals from a combined 64 countries sought a footballing experience with MUSC in the first quarter of 2019. MUSC is a champion of Pride in Sport, has initiatives to promote mental health awareness and sports gambling harm awareness in the community, and is an enthusiastic participant in Active Melbourne programs.

Football (soccer) is the largest club-based participation sport in the country, with more than 1.76 million participants. Interest in participating in football activities through Melbourne University Soccer Club is at an all-time high. MUSC is at capacity with approximately 380 players. The club has received expressions of interest from more than 750 people looking for opportunities to play football in 2019 that MUSC has not been able accommodate. The majority of those people are studying at tertiary institutions in the City of Melbourne and 293 are City of Melbourne residents.

MUSC wants to increase participation opportunities, especially for women. The club has 120 female members in 2019 but had no place for another 210 women (80 residing in the City of Melbourne) who wanted to play for the club. The pathway for women's teams based in the

City of Melbourne to compete at a more elite level (than State League competition) is blocked because there are no facilities in the City of Melbourne that meet the requirements for a Women's National Premier League club.

A significant investment by the City of Melbourne in the installation of synthetic football (soccer) pitches would allow for a substantial increase in participation numbers to meet the demand that exists for City of Melbourne residents and visitors to play football (soccer) in the municipality.

Yours sincerely,

Michael Owen

Please indicate whether you would like to address the special Future Melbourne Committee in support of your submission. No

The special meeting is scheduled to be held on Thursday 13 June 2019 commencing at 5.30pm. *

Privacy acknowledgement: * I have read and acknowledge how Council will use and disclose my personal information.

To whom it may concern,

My name is Beth Cook and I am the president of West Brunswick Amateur Football Club, a tenant at the Ryder Pavilion, changerooms and Ransford and McAlister ovals in Royal Park. The West Brunswick committee and I strongly support the allocation of \$200,000 to design the renewal of the Ryder Pavilion and wish to be involved where possible in the design process. Thank you for the opportunity to provide comment on the proposed redevelopment through the *Annual Plan and Budget 2019-20*.

We were very happy to hear of the City of Melbourne's recent decision to allocate funding for the redevelopment design. Currently, the pavilion and nearby changerooms are operating far beyond their capacity and becoming increasingly run-down as a result. As the number of people involved in community sport at Royal Park continues to grow, it is critical the facilities are upgraded to be fit-for-purpose now and long into the future.

West Brunswick Amateur Football Club (WBAFC) was founded in 1959 and has called Royal Park home ever since. Back then we only had one men's team. Up until five years ago we remained a club where only men could play. However, since staging the Victorian Amateur Football Association's first women's exhibition match in 2016, the club has grown dramatically. We now have three men's teams, three women's teams and nearly 300 registered players, compared with approximately 50 back in 2015. On top of this, we are a Level 3 accredited Good Sports Club. We received the top level due to our approach to player and community health and wellbeing and our inclusive approach to attracting people to the club.

As a result, the needs of the club have changed beyond recognition. Where we were once comfortable with the Ryder Pavilion, one training oval and two changerooms, now the facilities are splitting at the seams.

The women's and men's teams take up over half of the changerooms on training nights, while on game day, with up to six games taking place and soccer being played on Ryder Oval, clubs and umpires are forced to share rooms, with bags and equipment barely leaving enough space for the players themselves. Storage for gear is also severely inadequate, with a tiny storeroom of approximately 3m x 1.5m the only available space. Consequently, the club is currently exploring options for how to expand our space, such as an off-site storage container, however this will likely be a significant cost for a community club such as ours.

The changeroom facilities themselves also pose an issue. Only the two smallest of the six changerooms have cubicle showers, while rooms 1, 2, 5 and 6 all have shared showers. We commonly receive complaints from women's teams in particular that the players want separated showers, and this greatly limits our flexibility in assigning rooms on gameday. Essentially it means all women's teams must share the two changerooms with the appropriate showers, while the men are able to use four larger changerooms. It is critical to the growth and promotion of women's football that clubs can attract new players by making them feel comfortable and welcome, not only through the culture of the club but also in the facilities we can provide.

In the pavilion itself, we are often trying to fit 80 people into our sit-down club dinners on Thursday nights, but space is extremely limited. These events are critical to our fundraising efforts and a great community-builder. If we had access to a larger pavilion, we could much more comfortably fit all diners and further

build these events as fundraisers and communal evenings. This year we have focused on getting speakers to our dinners, such as a spokesperson from MINUS18 (a youth LGBTI+ organisation) and a dietician, to educate our players on topics such as mental and physical health. However, with the limited space available in the Ryder Pavilion, it is difficult to create a proper audience atmosphere for these speakers. More space would allow us to engage more speakers and continue to educate our players on important issues.

In terms of food preparation, the Ryder Pavilion is no longer fit-for-purpose. Where possible we try to organise cooked meals for our Thursday dinners, however with one stove and minimal bench space, we are usually forced to cook a basic BBQ or order pizzas. We also rely on domestic fridges and freezers to store food. This, coupled with how run-down the bar area is, raises concerns about safe food preparation. To properly cater to the large number of attendees at these and other events, a much larger bar area with a modern, commercial kitchen setup is necessary.

Overall, the facilities are run-down and there are always new maintenance issues arising. Leaking pipes, doors that won't shut, peeling lino, and lights that don't work are just some of the maintenance problems in the pavilion and the changerooms.

One key advantage of modern pavilions at other sports venues is the ability to watch the game from the pavilion itself. Currently, the Pavilion has a great vista of Ryder Oval, but limited view of Ransford Oval from inside the building and no view of McAlister Oval. We feel the current building impacts our crowd numbers and as a result our connection to the community, especially in the depths of winter when spectators must watch from the fence, rather than the shelter of the pavilion. The ideal pavilion would look out over all three grounds, or at least Ransford and Ryder ovals, from an elevated position.

While from WBAFC's point of view it would be ideal to have a two-storey pavilion to optimise the viewing area and maximise space, we understand there is no precedent for this design in the City Of Melbourne. As such, one potential alternative would be a two-storey building, with half or more of the lower storey buried in the ground. An example would be the new facility the University of Melbourne recently constructed, with the social rooms above the ground and the changeroom facilities sunk underground. We would envisage the lower level of a redesigned Ryder Pavilion being a storage or changeroom area, with social rooms, kitchen and bar on the upper level.

Coming into winter now, it is also apparent that heating is important in the Ryder Pavilion. With large windows and high ceilings, it becomes bitterly cold in the middle of the year. The club would again be able to attract more spectators and have more players attend Thursday dinners if a new design incorporated temperature control into the building. Importantly, this heating system should be as environmentally-friendly as possible.

Importantly, any new design must also include measures to ensure those using the facilities are safe. In particular, improved lighting around all of the pavilion and facilities is critical. Currently the area is very dark at night, a safety issue compounded by the large distance to Park St, the nearest road. Depending on the scope of the redevelopment design, including lighting for Ryder Oval would also enable soccer clubs to use the area for training during winter, reducing the strain on ground availability.

As the City is aware, demand for use of Ryder Pavilion and the surrounding ovals by a range of sporting and other clubs is growing rapidly and causing major scheduling headaches throughout both winter and summer. The expansion of the pavilion and changerooms offers the opportunity to accommodate the needs of all tenants and serve the community well into the future.

A redeveloped Ryder Pavilion and surrounds would act as a community hub, enabling tenants to continue to connect and engage with the local community. With the careful consideration and consultation the Council has planned, we are confident the redesign can fit with a broad range of needs for years to come, while aligning with the City's environmental and heritage vision and the expectations of the local residents and community. WBAFC is excited to be involved where possible in working with the City, our co-tenants and the local community to help design a new Ryder Pavilion and surrounds.

Yours sincerely,

Beth Cook

7 June 2019

Dear Future Melbourne Committee,

Re: Annual Plan and Budget 2019-20 - Yarra Pools project request for funding for Business Case finalisation

Further to our previous correspondence and discussions with City of Melbourne personnel, we are pleased to submit this request for funding on behalf of not-for-profit Yarra Swim Co to finalise the business case development for the proposed Yarra Pool community recreational facility.

The Yarra Pool facility is proposed to be located at a mutually agreed location within the CBD reaches of the Yarra Birrarung.

Yarra Swim Co are seeking a \$50,000 contribution from Council in order to complete the next phase of work in our efforts to develop a robust project business case alongside stakeholders, future users and the community.

The funds will enable Yarra Swim Co to engage an independent consultant to complete cost estimation, economic modelling and provide advice on an appropriate delivery model for the project that meets the needs of key stakeholders.

This new contribution would complement a \$30,000 tranche of funding received from Melbourne Water through the Yarra Strategic Plan to deliver stage 1 of the business case. The already completed first stage included investment logic mapping, patronage forecasting, global case study development, and detailed consultation with key stakeholders, Traditional Owners and regulators. Full details are available at our website and all associated reports have previously been provided to CoM.

The Yarra Pools project aligns strongly with many State and Local Government directions including the Yarra River Protection Act, Active Melbourne, Plan Melbourne, Melbourne's Open Space Strategy, Nature in the City, the Draft City River Strategy and the community needs expressed through the Inner-Metropolitan Partnership (amongst others).

This request for funding is the culmination of four years of detailed work and stakeholder and community engagement, which included significant pro-bono and voluntary work undertaken by various supporting organisations and individuals. Council assistance is now required to further progress the project and ensure a community centred outcome is pursued that aligns with the project's design principles.

The project enjoys strong community support including large attendance at community events, strong media and social media interest, over 40,000 views of the latest design vision and most recently through references in community feedback on the Draft City River Strategy.

In addition to the requested funding, Yarra Swim Co would like to request any additional relevant information and a commitment from the City of Melbourne to work collaboratively in co-designing the recreational facility with the expressed goal of enhancing place and community, health and wellbeing and environmental, cultural and sustainability outcomes for the Yarra River and its environs.

We ask that you consider this request for funding on its merits and we look forward to continuing to work with the City of Melbourne towards an active world class waterway which we believe should include a community centred recreational facility celebrating the unique history of our Yarra River Birrarung.

Yours sincerely,

Michael O'Neill,
President, Yarra Swim Co
Co-founder, Yarra Pools

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

I am a player at Melbourne University Lacrosse which plays at Western Oval. As a member of the club and as a citizen I have noticed it needs to be upgraded only from looking at the establishment from the outside. The \$200k upgrade is very much needed and will improve the quality of the infrastructure and thus reputation of the council

Melbourne City Draft Annual Plan and Budget

Response from Carlton Gardens Tennis Club (CGTC)

The CGTC supports the Council's plan to maintain, develop and fund the following (as stated in the Draft Annual Plan and Budget document):

4.12 SERVICE AREAS – Providing valued services to our customers and community is central to everything we do.

- SAFETY MANAGEMENT - Ensuring people are protected and safe when accessing and using spaces
- WELLBEING & LEISURE - Encouraging people to be healthy and active

Melbourne's reputation as a liveable city has been tarnished by the number of women murdered while in public parks or public open spaces.

The Carlton Gardens Tennis Club would like to alert the council to the area at the north end of the Carlton Gardens (bounded by Nicholson, Carlton and Rathdowne Streets), particularly the area beside and to the north of our tennis courts. Fears are held for our members and guests approaching and leaving the courts after dark and also for members of the public walking through or across the park to public transport or other services in the area.

Council should be aware that the CGTC is an important contributor to the local community, fostering use of the courts with free sessions on Saturdays for local children and on Thursday evenings for women of all abilities. CGTC is a participant in the 'This Girl Can' campaign supported by Vic Health and hosts social and competitive tennis events for both men and women every week night, all year round.

The CGTC proposes that the lights installed at the tennis courts be utilised from sundown until 11.00 pm at night. The court lighting helps to illuminate the north-east corner of the gardens towards Nicholson and Carlton Streets making it safer for anybody walking in that area and discouraging undesirable activities. Deployment of the lights at the Carlton Gardens tennis courts would assist with Council's aims for 'Safety Management' while fostering 'Wellbeing and Leisure'. The CGTC is prepared to cover the cost of this lighting.

We propose that Council install new lighting adjacent to the courts, along the pathway from the Melbourne Museum to Carlton Street, parallel with Nicholson Street. We believe the impact on biodiversity will be minimal with much of the north west area of Carlton Gardens being unlit.

Looking to the future, the CGTC plans to monitor safety management and (where appropriate) upgrade facilities, to ensure our community continues to enjoy the use of the tennis courts and adjacent park land. Council support will provide a springboard to this goal.

Tom Keel

President, Carlton Gardens Tennis Club

Draft Annual Plan and Budget 2019–20

Please write your submission in the space provided below and submit by Friday 7 June 2019. We encourage you to make your submission as early as possible.

Hi,

I'm a resident of Melbourne city and I've been a player with Melbourne University lacrosse club for 8 years and our home ground is at Royal Park. It'd be really great to see this go through as the club house is quite old and wasn't the most inviting of environments even when I first joined. It'd make a big difference to all the clubs that use the facilities if they were renovated and updated.

Coming from other clubs with newer and more updated facilities I can say it really encourages everyone to get around the club more, both club members and visiting teams, and spend more time growing the little pocket of community that lacrosse has.

Thank you for your consideration.

-Daniel

As a City of Melbourne resident I strongly support the redevelopment of local sporting pavilions. I am a member of the local lacrosse club at Western Oval & the facilities do not cater at all for female participation in sport. We need to encourage gender equality in sport & the facilities at Western Oval are a roadblock to that.

Submission to Future Melbourne Committee

City of Melbourne, Council Meeting Room, Melbourne Town Hall Administration Building
13 June 2019, 5.30pm – Meeting No.58
Agenda Item 3.1 Consideration of submissions and matters arising on the draft 2019-20 Annual Plan and Budget

Southbank Residents Association is disappointed that once again City Road upgrade is missing from the budget.

For the third year we are making a budget submission on this item. The masterplan was released with the timeline indicating this should currently be in an advanced stage, but more importantly budgeted for. At the time the masterplan was written, the forward financial planning was known. It was about the same time the 10 year financial plan was released. If the funds were not available, then why was this timeline indicated in the masterplan?

Last year we successfully argued for a \$500,000 allocation for the commencement of the pedestrian crossing on Alexandra Avenue. However it appears very little, if any, progress has been made on that, despite the masterplan stating construction should be complete.

We also successfully obtained the following resolutions:

1.4.1. in light of the budgeted \$33.257 million capital works expenditure in Southbank in 2018-19, update or replace the “Shape Your Southbank” online portal with detailed information regarding the progress of all Southbank major projects included therein, as well as the Southbank Arts Precinct, and ensure that this information is communicated electronically with Southbank residents, community groups and stakeholders, by the end of July 2018.

1.4.2. put forward to the 2019-20 Capital Works budget completion of all aspects of the City Road Masterplan design documentation that has not yet been implemented, noting Council’s intention to begin major works on City Road Masterplan Action 1 (“Transform City Road West into a great central city street”) in 2019-20.

Regarding resolution 1.4.1, while a 'Southbank Projects' page was created, the community certainly didn't get that communicated to us as the resolution stated was

supposed to happen. We learned of the page only after enquiring several months after it was supposed to have been implemented. In any case, when will this page be updated with a clear/er indication of the new timeline for City Road? At present it is only offering the masterplan, and we know the timeline in there is not correct. We are now several years behind schedule and nothing on this page is showing us when we should expect this project to be finished, let alone started. We always knew about Southbank Boulevard and Boyd Park projects, they are clearly outlined within the masterplan, so they should not be hindering this projects progress.

Regarding resolution 1.4.2, we don't believe this has been actioned. If so, why hasn't it? More importantly why hasn't the community been informed of the status?

In short, Southbank Residents request further consideration to the budget for this project and also to have our questions answered that we have asked here.

Furthermore, Southbank Residents Association requests allocation of funds to conduct a costing/feasibility study on the 'City Link Void'. This was first identified as an opportunity in the 2007 Southbank Plan and further expanded upon in the Southbank Structure Plan 2010. We have not seen any serious attention to this opportunity identified in these plans. We therefore ask council to start to act on this opportunity as 12 years has now passed and nothing so far. If this is not able to be funded in this budget, then we would appreciate an explanation as to why nothing has happened in 12 years and when, or if, council will begin work on this initiative.

Regards

Tony Penna
President
Southbank Residents Association
