

Social enterprise caterers that service the City of Melbourne

Important note about this document

The information in this document is simply intended as a useful compilation of social enterprise caterers. The City of Melbourne has not reviewed, and does not endorse, a particular catering company over another.

Please also note that the information contained in this document was corrected at the time of publication (August 2018) but bear in mind that some information will have changed at the time of reading and it's important that you confirm the information in this guide with the agencies directly.

| Organisation | Website | Email | Phone | About us |
|-----------------------------------|--|--|--------------|--|
